PROCEEDINGS OF THE SECOND DAY OF THE 63RD ANNUAL
SESSION OF THE BRUNSWICK BAPTIST ASSOCIATION
MEETING AT FARMERS CHAPEL CHURCH, MACO.

Morning Session — Thursday, October 19, 1961

After singing a hymn, the Association was declared to be in session by the moderator, Rev. Mark Owens. Scripture reading from the 24th chapter of Luke was read by the host pastor, Rev. Marshal Weaver, who also offered up the morning prayer.

At this time, the moderator welcomed the messengers and guests. It was announced that a brief period of business would be inserted in this morning's schedule. Our theme for this session was announced as "Our Cooperative Witness In North Carolina."

Mrs. Dewey Robbins was recognized and gave a report on the Children's Homes of North Carolina. Her report was adopted.

Representative of the Children's Homes, Mr. John R. Ball, then spoke to those assembled in behalf of the Children's Homes and urged digging deeper to help supply the needs of the Mills, Kennedy and Odum Homes. He also distributed a financial statement quoting the amounts contributed by the various churches of the Association and mentioned that there were six churches which hadn't contributed anything during the past year.

The moderator expressed disapproval of this type of statement in that it didn't give credit to those churches giving to all causes through the Cooperative Program. It was pointed out that 33.3% of the Children's Homes support came from the Cooperative Program.

Mrs. D. L. Potter then gave a report on N. C. Baptist Hospital. This report was adopted by the Association.

Our next speaker was Dr. C. C. Carpenter, Dean of the N. C. Baptist Hospital. His words were both enlightening and challenging.

The report on the Baptist Homes for the Aging was delivered by Rev. Bruce Lanier of Elah Baptist Church. This report, too, was adopted.

A motion was then made by Rev. Wade Bunce that a period of fifteen minutes be allotted for special business. This was seconded and so offered. Rev. Bunce then made the following motion, "That Article 16 of the Brunswick Association Constitution be amended to read as follows, 'Article 16 — This constitution may be altered or amended only at an annual session of the Association when a quorum of churches is represented by messengers and then only by a vote of two-thirds majority of the messengers voting, provided that notice be given with the reading of the proposed change the day previous that such a motion will be presented'." This motion was properly seconded and considerable discussion allowed. A standing vote was then taken with 59 voting for and 3 voting against. The motion was passed and adopted.

After a congregational sing of the hymn "Send The Light," Bro. E. B. Tomlinson gave a report on Christian Literature. This report was adopted.

We then heard Dr. Foster speak to the report in behalf of Mr. Marse Grant, editor of "The Biblical Recorder."

Once again the congregation joined in the singing of a hymn, "We've A Story To Tell To The Nations."

A report was then brought by Bro. J. J. Hawes on Christian Education. This report was adopted by the Association.

It was then our pleasure to hear Rev. E. C. Upchurch bring a message using as his subject, "Christian Education Through Cooperative Giving." The scripture used was Matthew 29, verses 19-20. He stated that the State Convention was asking that the churches increase their giving in the amount of a 35% increase to the Cooperative Program. This amount to go towards the raising of the sum of \$45,000,000 over a three year period, which sum would go entirely to finance Christian Education in North Carolina. He closed with the challenge that if we are for Christian Education, and we have so indicated, let's pay the bill.

At this point in our proceedings we were privileged to hear a solo, "I Will Pilot Thee," rendered by the Rev Judson Rotan, pastor of Jennie's Branch and Old Shallotte Baptist churches.

The closing message of the morning session was delivered by our Associational Moderator, the Rev. Mark Owens. Using the scriptural text of "Ye Shall Be My Witnesses," he pointed out the necessity of co-operation in our witnessing and that ours is a cooperative business of necessity if we expect to achieve or accomplish our Lord's command.

After the message from our moderator, we were adjourned from the morning session with prayer.

After an excellent meal prepared by the ladies of the Farmer's Chapel Baptist Church, we reconvened and were called to order by the Moderator.

The congregation sang the hymn, "Jesus Shall Reign," and Mrs. Harold Williams gave the scripture reading from Psalm 67 and Matthew 28, verses 18 through 20. Mrs. Williams then led us in prayer.

At this point Mrs. Margaret McRacken recognized and offered thanks to the host pastor, the Rev. Marshal Weaver, and the ladies of the church for their kindnesses and hospitality. Mrs. McRacken then recognized the pastors present and those who were not recognized the day before. Three of those recognized were Rev. Leon McKeithan, Rev. Dennis Hewett, and Rev. Leo Cannon.

Brother E. J. Prevatte, member of the General Board, brought to our attention that the State Convention meeting next month would probably bring up for discussion and probable action the following two items.

1. Change of dates for the State Convention Meetings. Changes being considered in an attempt to get more of the N. C. Baptist laity to attend the meetings. The following are the alternatives:
 - A. To leave as is, Tuesday, Wednesday and Thursday.
 - B. Thursday through noon Saturday.
 - C. Friday through noon Sunday.
2. This item concerned the establishing of a Baptist Minister's Directory, or clearing house for the placement of ministers.

Bro. Prevatte urged the pastors and ministers present to take this information back to their respective churches so that the churches might make themselves familiar with these proposals and also that they might instruct their Convention messengers as to how to vote should these items come to a vote.

We then heard from the Rev. F. E. Edens, the Association's Chairman of the Schools of Missions. He spoke in behalf of the Schools of Missions which will be held in our Association during the month of August, 1962. There will be a \$50.00 per church cost to all those churches participating. He further urged the messengers to return to their respective churches and encourage full participation of all the Brunswick Association churches in this Schools of Missions which will take the place of the fall simultaneous church revivals.

There was a congregational singing of the hymn, "The Kingdom Is Coming."

At this time the Vice-Moderator, Bro. John D. Long, presented the nominations of the Associational Officers for the coming year with the motion that these be accepted as nominated. The motion was seconded and so ordered.

COMMITTEE REPORTS: Mrs. Cora Frink presented the Resolutions Committee report, and a motion was presented and approved for its adoption.

Bro. Kirby Sullivan presented the Place and Preacher's report which was adopted.

Mrs. George Whatley, Associational Treasurer, presented the proposed Associational Budget for the coming year. A motion was made for its adoption, and so ordered.

Bro. Tom Ballard brought it to the attention of the messengers that there were only eleven men delegates representing their churches at this afternoon's session (excluding the pastors and visitors). He urged the women present to go back to their churches and prod their men into taking an active part in the work of their Association.

Mrs. Alex Bogie urged that our churches earnestly study and pray over the matter of changing our Constitution in regards to the setting up of a new type of Executive Committee.

MISCELLANEOUS BUSINESS: At this time, the messengers of the two new churches seeking membership in the Brunswick Association were recognized and commended. These churches being Calvary Baptist Church of Shallotte and Peace Memorial Baptist Church of Winnabow.

The new church to our Association, Shell Point Missionary Baptist Church, was extended the right hand of fellowship via her church messengers.

After singing the hymn, "Blessed Be The Tie That Binds," the sixty-third annual session of the Brunswick Baptist Association was adjourned with prayer.

Rev. Mark Owens, Moderator
John R. Sellars, Clerk

MY CHURCH AT WORK IN EVANGELISM

If our churches are to be Missionary they must be concerned about Evangelism. We must be striving to advance the Kingdom of God in the hearts, lives, affairs, and relationships of men in every area of life.

In 1959 five of our 29 churches reported NO baptisms, and again in 1960 this was true. Two of these five churches who reported NO baptisms in 1959 did so again in 1960. I'm happy to report that at least one of these churches will show baptisms for 1961.

In 1959 the Brunswick Baptist Association reported 165 baptisms with 3344 resident church members, with 879 non-resident members. In 1960 we reported 158 (7 less than 1959) baptisms with 3379 resident members and 903 non-resident members. This can hardly be termed advancement.

Now having begun our new church year with our Baptist Jubilee Revivals we have already reported 54 baptisms, which is good for a beginning, but may we pray to God that He will warm and stir out hearts that we will strive in a greater way than ever before to advance His Kingdom in a more impressive way in the year 1962.

If we are to be His Witness we must be Evangelistic. We must keep the fires of Evangelism burning, glowing in our hearts that we may win others to Him.

Respectfully submitted,
Robert W. Rollins,
Chairman of Evangelism

MY CHURCH AT WORK IN STEWARDSHIP—MRS. JOYCE BENNETT

Mr. Moderator, Messengers to the Brunswick Baptist Association, and Christian Friends: No given subject could possibly strike a more sensitive response in a congregation than does this subject of STEWARDSHIP. Several factors are responsible for our Ret-i-cence about a frank discussion of this theme, so vital in the future of our work for Christ. In the first place, many resent a discussion of stewardship, simply because they fail to understand what it really means. Some lexicographers have said that the word originally meant, a keeper of a pig-sty, thus bearing a meaning of reproach, insinuating ignorance and a degraded simplicity. While the original meaning of the word did not mean this, there was someone who observed that most pocketbooks were made out of pig skin, and when they were referred to, there was a lot of squealing. Stewardship really means, "the practice of systematic and proportionate giving of time, abilities, and material possessions, based on the conviction that these are a trust from God to be used in his service for the benefit of all mankind. The Doctrine of Stewardship is clearly taught in the Bible. There are some twenty places in the King James version of the Bible where the words steward or stewardship occur. There are many more places where the doctrine of stewardship is taught, and everywhere from Genesis to Revelation it is taken for granted. It is not only Biblical in authority, but it is valid as a way of life. Stewardship is an attitude that must characterize the Christian in the total aspects of his being. It is not a thing that starts and stops. It is not a matter of emotion and impulse. It is not a thing to be thought of and practiced merely on Sundays. It does not concern just a part of our time, thought, and efforts, but it involves the whole man, all of his time, and all of his resources. It is the recognition that all we have and are, belong to God, and should be used for him and his Kingdom.

One's stewardship is always measured by his love. Love is always the gauge by which we determine how much of ourselves we will give to any given thing. For the Christian who really loves the Lord, stewardship of service or substance is never a problem. Genuine love never asks, how little **must** I give, but rather, how much **can** I give. The main purpose for emphasizing stewardship in our Churches is not for compiling bigger statistics or raising larger budgets, but the winning of the people of our communities to the service of Jesus Christ. Paul said to the Corinthians, "I seek not yours, but you." (2 Cor. 12:14)

How well are we doing in our local churches and our association to reach the people for Christ? Our efforts should not be just to get their names on our Church rolls, but to enlist them in the program of God's kingdom to such extent that they will really count for Him in every phase of their living. The statistics of what we have done this year as individual Churches and as an Association are not available as I prepare this report; but I would like for us to look at last year's reports and ask ourselves if what we did is the best stewardship possible.

All that we are doing is related directly to our stewardship of time, talents, or possessions.

Last year, we received 158 persons into our memberships by Baptism. This seems like a lot of people until we remember that we have 3,379 resident members in our Churches in this association. This means that it took 21 of us Brunswick Baptists an entire year to win one lost person to Christ. Surely we are not rendering a good stewardship of our time nor influence with such a record as this. With this many resident Church members, the average attendance in Sunday School each Sunday last year was only 58% of these Church members. This percentage would be even lower when we remember that many of those who attend Sunday School are not members of the Church. Are we, as Church members, rendering a faithful stewardship of our time with such a record as this? The statistic that is worse than this, however, is that of the number of tithers in our Churches. Of our total resident memberships, less than 10% tithe their incomes. The per capita income for Brunswick County is far below some of the more industrial associations, but if the tithe of the income of Brunswick Baptists were brought to the storehouse, we would see things happen in our Churches and association that we never dreamed possible. With what we did receive as local churches, we ought to ask ourselves how we spent this. There was received in our association last year a total of \$142,759.37. Of this amount, the Churches spent \$129,457.78 on ourselves and our needs. We gave 11% of this to all mission objects, which is good until we realize that only about one-third of this 11% was given to undesignated missions or the co-Operative Program. This says, that we must give most generously to those things which appeal personally to us, rather than giving to all objects of the Lord's work through the co-operative program. You will hear in these meetings today and tomorrow the needs of our institutions and agencies of work right here in North Carolina, to say nothing of the vast ministry we seek to support beyond the area of our State. As we hear these needs presented, what will our decisions be? In a world where at least one-third of the population went to bed hungry last night, what will our attitude be toward the abundance the Lord has blessed us with? In a world which is fast losing in its battle against the propaganda of Communism, can we afford to be complacent about doing all we can to promote the cause of Christ which is the only deterrent to the onslaught of Communism. We need to give more of our time, of our talents, and our possessions to the Lord, if there is to be a future for us as Christians and Churches.

So often our attitudes and actions are like that found in this little verse:

"I had a little tea party, This afternoon at three,
 'Twas very small, three guests in all, I, Myself, and Me.
 While I ate all the sandwiches, Myself drank up the tea,
 'Twas also I who ate the pie And passed the cake to me."

This attitude is so often found among Christian people and Churches, but hadn't it rather ought to be the spirit expressed in the message of this great old hymn, that would challenge us to do our best for God.

"I gave my life for thee, My precious blood I shed,
That thou might'st ransomed be, And quickened from the dead.
I gave, I gave, my life for thee, What hast thou giv'n for me?
And I have brought to thee, Down from My home above,
Salvation full and free, My pardon and My love,
I bring, I bring rich gifts to thee, What hast thou brought to me?

Respectfully submitted for adoption,
Mrs. Joyce Bennett

ENLISTMENT

One of the failures of our Churches is that of conserving the results of our evangelistic efforts. Enlistment is one of the most effective ways of conserving and utilizing our potential.

To enlist according to Webster is to "sign up for service." Enlistment then is the plan whereby the local church may recruit its membership in active service in the work of the church. Our goal then should be to enlist every member to support the entire program of the church.

The need for enlistment is readily seen when we look at our church rolls and find the names of many that are not enrolled in Sunday School, Training Union, Brotherhood or Woman's Missionary Union. A look at last year's statistics reveals the following:

Total members in Brunswick Association	4,282
Sunday School Enrollment	3,510
Training Union Enrollment	1,185
W.M.U. Enrollment	786
Brotherhood Enrollment	324

Two of the most needy areas of enlistment are the Training Union and the Brotherhood. Last year there were 11 churches in the Association without Training Unions. There were only 8 churches that reported a Brotherhood last year.

Let us accept the challenge of enlisting those who are unenlisted and utilize them in promoting a better program through our churches and Association.

James C. Alley

ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION 1961 ASSOCIATIONAL REPORT

NAME CHANGE

The Relief and Annuity Board no longer exists—name-wise that is. The official name is now **Annuity Board of the Southern Baptist Convention**. Deletion of the words "Relief And" from the title was approved at the 1960 Southern Baptist Convention in Miami, and made official in March of this year, when trustees of the Board voted to change the Board's charter, incorporating the new name. Baptists over the Convention are urged to use the Board's new name.

NEW MEMBERS

Total new members in all the Annuity Board's plans in 1960 increased by nine per cent over 1959, with the largest increase, 2,053, being in the Southern Baptist Protection Plan. Total membership stood at 22,578 on January 1, 1961. More than 4,000 of the churches participating in the protection program are paying the full 10 per cent dues. This is an increase of 17 per cent over the previous year.

On April 1, 1961, six states had enrolled more than 70 per cent of their churches and pastors in the protection program. District of Columbia had the highest percentage, 94. Seven states were in the 60's, percentage-wise and 11 showed a participation of between 50 and 60 per cent. The remaining three were above the 45 per cent mark. Average participation of all states was 63 per cent.

BENEFITS

Benefits amounting to \$2,754,613.60 were paid to more than 5,200 retired and disabled ministers and denominational workers or widows during 1960. A little more than 4,200 of these were beneficiaries of one of the Board's retirement plans, and the rest were on the relief rolls. Four hundred forty six were new annuitants, added in 1960. Since the Board's beginning in 1918, it has paid out benefits totaling, \$34,425,100.55.

FIELD WORK

Fifteen field representatives now serve 22 states in the Convention. The continued increases in new members in the Board's protection program in recent years can definitely be attributed to the work of education and promotion being carried out by these men within the local churches and associations.

Rev. R. T. Greene, field representative for North Carolina, has his offices at the state headquarters in Raleigh,—mailing address, 301 Hillsboro Street. He will be glad to try and arrange a time when he can come to your various church or associational meetings to talk about the Annuity Board's ministry. Rev. Greene is available also for personal conferences with pastors or church leaders. Write him for arrangements.

OFFICERS OF THE ANNUITY BOARD

Administrative officers of the Board are: R. Alton Reed, executive secretary; Floyd B. Chaffin and L. T. Daniel, associate secretaries; Fred W. Noe, treasurer and investment director; Owen Henley, assistant director of investments and Mable H. McCartney, registrar.

ASSOCIATIONAL MISSIONARY'S REPORT

Mr. Chairman, Messengers, and friends of the Brunswick Association, we are grateful that you are here and for all of our people who make this our annual meeting such a happy occasion. Thanks be unto God for our undeserved blessings. He has been good to us and let us not fail to sing his praises as we promote His Kingdom here on earth. For we know that this is a part of His Kingdom and we are His stewards.

Some have been faithful stewards as our work has gone on slowly but surely making progress. Our people throughout the Association have been so helpful as they give of their time, talents and money to the on going of God's great work. For we are still in the Biggest Business in all the word—"Missions." Beginning in our own Jerusalem and reaching into the uttermost parts of the world.

Briefly, allow me to give to you some of the highlights of what you have done through your missionary as we have worked together this past year.

Many of you know that Rev. Don Hales, our elected Moderator, left our fields in early November, resigning only a week after election. Our beloved Vice-Moderator was not able to be at our annual meeting and he too was called to his heavenly reward soon after becoming our Moderator. Words cannot express my feelings in losing Linden Clemmons. He was throughout his earthly life the right arm to the Brunswick Association. Our last year minutes were dedicated to him in memory of all he did for us. Then, too, we have lost the Swain Brothers, Larry King, Uncle Bud Sullivan, and many others who helped to make our churches what they are today. These men and women will go down in church history as good "Soldiers Of The Cross."

Rev. Mark Owens was elected Moderator in our first Board Meeting and has served in a wonderful way. His life before us speaks more than I can say. He has never failed to go when anyone has called and has been with your missionary and other officers as we have been to State, Regional, and Associational Meetings.

Thanks also to our Music Director, Mrs. J. J. Hawes; Superintendent of Sunday School, Harold Williams; T. U. Director, Rev. Paul Odum; W. M. U. President, Mrs. Anne Price; Brotherhood President, Mr. S. A. Sue; our Treasurer, Mrs. Ressie Whatley; and our Vice-Moderator and Chairman of our Nominatives Committee, Mr. John Long. These people along with many of you have helped to make my report for this, another Associational Year together here in the Brunswick Association.

Our Associational Calendar and Bulletins have continued to go to each church and mission throughout our Association. These are to inform and inspire us to better service for our Lord as we work in and through His churches. Each church field has been visited by your worker and each of our 29 churches and 7 missions have been visited, traveling 35,701 miles during the year.

My most rewarding work has been that of counseling with various ones throughout our Association. We are grateful for the guidance of the "Holy Spirit" as He leads your pastors and missionary in this task.

Your worker has had 1,153 individual conferences and 396 group meetings this year. I have visited our Baptist Hospital, Home for the Aging, Children's Homes, and Colleges. I had the wonderful privilege of going to Ridgecrest for Home Missions Week and to Caswell for our Missionary Conference.

According to the Bible it is not enough for believers to meet the formal requirements of Christianity. God expects His people to put Christian faith into action in everyday life. In the light of this conviction every Christian should dedicate himself to the task of helping Brunswick Baptists to carry into every area of life the whole Gospel of Jesus Christ.

Respectfully submitted,
Margaret McRackan

BROTHERHOOD REPORT

The 1960-61 Associational Year was significant for Brotherhood in North Carolina. On October 1, 1960, a new plan of organization went into effect. The Brotherhood Department gave special emphasis to Leadership Training.

One of the most significant events of the year was World Missions Week at North Carolina Baptist Assembly at Caswell. Eleven (11) hundred men, women, boys and girls were in attendance. This Week is sponsored jointly by the Brotherhood and Woman's Missionary Union of North Carolina, and is an annual missionary emphasis.

When North Carolina Baptists organized themselves in 1830, Thomas Meredith, appointed by the body to send a letter stating its purpose, said: "The Convention was organized for the purpose primarily, of giving the Gospel to North Carolina, and then to all the world." The Brotherhood can have a great part in this great mission.

MY CHURCH AT WORK IN TRAINING

If your church and my church is to reach out for the unreached, teach the Word of God as it should be taught, win souls, enlist for missions and develop Christians, then our leaders and workers must be trained. The Sunday School Board of the Southern Baptist Convention has promoted various courses of training for church leaders and teachers since 1902 and this work has grown continuously more effective. On October 1, 1959, all of the training courses of the Sunday School, the Training Union and Church Music were combined into one course entitled The Church Study Course for Teaching and Training. There is a graded system of awards consisting of book awards for individual books studied either by home study or class study and a series of five diplomas for adults and young people, two for Intermediates and two for Juniors given upon completion of certain requirements. This Study Course now covers every phase of church life. Since the beginning of this month it even includes the permanent study books of Woman's Missionary Union. Thus, anyone, nine years of age or over, may participate. Awards earned in previous study courses may be transferred, upon proper application, to the new system.

People enjoy doing the things they do well. Church workers who continually try to improve themselves not only do a better job, but enjoy doing it. The Lord expects us to serve Him with gladness of heart.

Since these things are true, the Brunswick Baptist Association seeks to promote a well-balanced program of training in the local churches. The plan is simple and yet it meets the needs of the churches for trained leadership. It is a challenge to the individual Christian.

This report for the Brunswick Baptist Association covers the period from October 1960 through July 1961, or a period of the past nine months. A total of 522 awards have been earned in the Association in all categories of the Church Study Course, with 118 of these awards being in Category 17, the category covering Sunday School methods and principles of teaching and administration. Out of our 29 churches, only 10 have earned awards. The other 19 have reported no training. Perhaps other churches have had classes but have failed to report properly to the Nashville office. There are forms available for reporting any classes held or any home study done. Your Associational Superintendent of Training will be glad to provide these forms for you if so requested.

The goals for the Brunswick Association for this church year are: Special emphasis on the study of the book, "Better Vacation Bible Schools"; to promote home study in all the churches; and to have no less than two Standard Sunday Schools.

The value of training is demonstrated in both Old and New Testament accounts. The Master majored on training. Paul promoted it. The church at Antioch demonstrated the far-reaching effects of a training program. Can we as an Association charged with winning the lost to Christ afford to do less? Let us face this new church year with a renewed emphasis on better training for service to our Master.

Respectfully submitted,
Mrs. Susie S. Carson
for Mr. Gorrell Thompson,
Associational Supt. of Training

W M U REPORT

The Brunswick Associational W M U wishes to thank each of you for helping to make our year of work one of steady progress. The Lord has blessed us with new organizations for all age groups. With your help and God's, we strive to train and educate our adults and youth in our missionary task.

Our Mission Study Institute and Leadership Conferences were well attended and successful. The weeks of prayer were also observed by most of our societies. Many of our ladies have received Leadership Cards for having completed Leadership Courses.

The Training Conferences attended by your associational W M U officers were: Advanced Leadership Training for those who held Leadership Cards, in Greensboro. This was attended by Mrs. Margaret McRacken, Mrs. Gertrude Williams, Mrs. Golie McKeithan and myself. Nine of the Associational Officers took advantage of the training offered at Caswell in the Conferences for Associational Officers.

The Annual W M U Meeting was held April 26 at Elah Church. This was a very inspirational and informative meeting. Mrs. Glenn Tucker, from Wilmington, held the devotion and our speakers were: Miss Virginia Highfill, Foreign Missionary to Japan, and Miss Delois Hamrick, State Sunbeam Band Director. Our Presidents and Pastors Supper was again held in the Bolivia School Cafeteria and enjoyed by all.

Youth Reports are: The YWA held an Associational Carol Sing at the Brunswick Boarding Home and a Sweetheart Banquet in February using Valentine Day as their theme. Mrs. Mildred Milligan is the Associational Y W A Director.

The G A's were real busy as usual with their activities. First, they had a Christmas Tea, then in June came the Mother-Daughter Banquet and Family Night with the Associational G A Carnation. September ended their activities for the year with overnight camp. The Associational G A Director is Mrs. Emma Young.

The Sunbeams held their Day Camp at the farm of their Associational Director, Mrs. Mildred Thompson. A good time was had by all.

Again this year, as last year, let me stress the most important part of our W M U work is Soul-Winning. This is still our weak link in our "Chain for Christ." Let us truly be "Laborers together with God," so that we can live our W M U Watchword for the Year 1961-62, "That thy way may be known upon earth, thy saving health among all nations." Psalm 67:2.

Respectfully submitted,
Mrs. Ann L. Price
W M U President

ASSOCIATIONAL TRAINING UNION REPORT

Training church members is not elective. Jesus devoted himself to a teaching - training ministry. He sought to bring about both spiritual birth and spiritual growth. His disciples grew spiritually and won others. Herein are the objectives for today's church members. More church members must be engaged in training. The quality of the training must be improved. Evangelism and Christian Training must be properly balanced if we are to fully carry out the great Commission. Jesus' first command was to make disciples and then teach or train them to observe all things whatsoever he had commanded them. Training Union is the latter part of that Commission.

"Lengthen . . . and Strengthen" (Isa. 54:2) is the theme selected for the 1961-62 Training Union Program. This is a worthy goal and we urge every church in Brunswick Association to help us to meet this challenge. Goals set up for Brunswick Association for the following year are: (1) Three new Training Unions, (2) 10% increase in enrolment, (3) Ten churches conducting pastor's classes for new church members, (4) Eighteen churches requesting study course awards, (5) 350 present at "M" night this year at Mill Creek Baptist Church with 18 churches and 15 pastors present.

This year the calendar of activities scheduled by the Training Union have been fairly well attended. Youth week and Christian home week were observed by some of the churches. "M" night at Soldier Bay Baptist Church was the main attraction in our Association this past year. Dr. Lloyd Corder from the Home Mission Board was the speaker. Attendance was highest ever recorded at "M" night. Almost every church with a Training Union in the Association was represented and the number present was approximately 340.

Allow me to thank every Training Director, Pastor, Associational Training Union worker for their cooperation and support during this past year. Help us to have another record attendance at "M" night again this year. Another reminder that January Bible study isn't too far in the future and Church Membership Study Week March 18-23, featuring books on Christian growth, should be planned as soon as possible.

It has been a joy to serve you during the psat year and I look forward with great anticipation to our mutual labors in the new year.

AUDIO-VISUAL AIDS REPORT

Brunswick Association Meeting, Southport N. C. — October 18, 1961

There has been considerable improvement in the use of visuals in our churches of the Association. More churches have set up persons to be in charge of visuals and are using more pictures and charts in their teaching programs.

The teaching process is easier and more complete when visuals are used. Teaching and training in our churches are our weakest link in Christian education. With proper visuals, the job could be made easier and more efficient with the end results being more and greater dedicated Christians in our Churches.

MEMORIAL SERVICE — CONDUCTED BY MARGARET McRACKAN

Brother Moderator, Brother of the Association, Ladies and Gentlemen:

This is memory time at the Baptist Associational meeting. It is altogether fitting that this Association should stop all business and all promotional procedures to pay loving tribute to those who have been called to join the assembly of the redeemed in the congregation above.

Since we last met in our general session so many of our beloved comrades have heard the summons, "Come up Higher." Among these comrades are faithful deacons, teachers and church members. Perhaps there isn't a church even in the remotest part of our Association that has not felt the loss of one or more of these valued, devoted, and faithful members.

We pause, first of all, in memory of wonderful fellowship that we have had together in the service of the Lord. It was James Barrie, delivering the convocation address at the University of St. Andrews, Scotland, who captured the attention of the young students when he said, "God gave us memories so that we might have roses in December." No wonder these words quieted the restless students and held their attention throughout his address.

God has placed in the hand of man the wonderful lamp, memory. We do, therefore, humbly and reverently call to memory the comradeship, the devoted, sacrificial, unselfish and loyal service of these beloved friends. This is not mere sentimentality. This does not come that we might try to recapture the past. This memory of these beloved comrades inspires us to worthy living, nobler accomplishments, and deeper dedication.

We can never forget that John, the beloved disciple, wrote, "Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them."

We remember their works with grateful appreciation, hopeful that we may take the foundations that they have laid and build thereon greater and finer superstructures.

We remember their spirit, how they faced up to the difficult task, and accomplished in spite of hazards, because of a faith that kept them true, and a sacrifice that is most inspiring.

This period of memory is for our inspiration. There is not anything that we could say here that would add to their work on earth, nor take from it; nor add to their reward in Heaven. Hear Jesus, as he says, "Great is your reward in heaven." Listen to Peter as he tells us there is "an inheritance reserved in heaven for you." And the writer of the Hebrews, "Ye have in heaven a better substance."

The rewards of heaven must be set in the teaching of Jesus, or else heaven will never be invested with reality. The charm and fascination which belong to it come from the authentic teaching of the Bible—as for example, “Christ Jesus brought life and immortality to light through the gospel.”

Again, in the New Testament outline of heaven, we find it pictured as a great city, “The New Jerusalem,” and as a home, “The house of many mansions,” or under the statement, “all things new.”

There is much upon which we can reflect that will make us better individuals and inspire our denomination to nobler accomplishment. When our way of life is being challenged, when old beliefs are crumbling, and when new philosophies seek to come to the forefront, and even when nation seems again to be against nation, we can reassure ourselves with their stability, the strength of their faith, and their determined efforts in other days equally as trying as these days. As they kept alive those principles and ideals by which God builds a better world, so the precious gift of memory will likewise help us to keep that ideal alive.

To this point we have reflected on what it will mean to us to recall their noble lives and wonderful accomplishments. We are not unmindful of the fact, however, that these beloved ones have their full reward. The One whom they loved and served here, they are now able to serve both day and night, and do give perfect love and devotion, worship and service. In that sense we rejoice. We have all comforted ourselves in hours like this with these great truths. We have comforted and guided others with these teachings.

Therefore, if we believe that the book we call the Bible be true, these our deceased loved ones are more alive than we are. They are better off than we are. They are happier than we. They have laid down the limitations of human life to take unto themselves the richness and fullness of an Eternal reward.

It is therefore reassuring to us to hear our Master as He says, “I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. I am he that liveth, and was dead; and, behold, I am alive forever more.” (John 11:25-26; Rev. 1:18).

This is the faith of the Christian. We are hopeful, therefore, and confident that these beloved ones have moved into that sacred Presence and abide under His loving care.

To the host of beloved who mourn the going of loved ones and fellow Christians, may you find comfort in the blessed benediction, “And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.” (Phil. 4:7).

SUNDAY SCHOOL REPORT—HAROLD WILLIAMS, SUPT.

"The Lord gave the word: Great was the company of those that published it." Psalm 68:46.

While all phases of our work are important we know that our Sunday School programs are the very heartbeat of our churches. Look at your Sunday School and you can pretty well determine the entire work of our church. One reason for this is that here each Sunday morning God's word is taught to all groups from our nursery through the adults. How very important it is to have Christian men and women as teachers in our Sunday School. Another reason is that here in Sunday School our boys and girls hear the Word of Salvation and give themselves to Jesus.

We have had many victories accomplished through the year. Such was made possible by divine leadership and human dedication. There are some areas which concern us, a few which burden us, but all challenge us.

Thank God for the advances we have made. This past year we were happy to have our Regional Superintendent, U. V. McManner, visit us, and he was very helpful in our planning meeting. Each quarter we met for our committee meetings. Let me sincerely thank our faithful Associational Sunday School officers. Their homes and hearts have been opened to us for planning and studying God's work. We were pleased to have so many of our churches at our conferences. The few that attended our assembly were greatly blessed.

Antioch Church reached the standard for which we are thankful. We are hoping that at least three Sunday Schools will be standard or have a class standard during the coming year.

All in all, it has been a good year, for which we are grateful to God and to each Sunday School Superintendent throughout our Association.

**REPORT TO THE ASSOCIATIONS BAPTIST CHILDREN'S HOMES
1961**

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their homes.

Your child care ministry is child centered, Christ centered and church centered. It is based on the redemptive plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self and trust in God.

Boys and girls live at Mills Home, Kennedy Home, and Odum Home. One hundred twenty-five children live in Christian Foster Homes throughout the state. Some mothers who have lost husband and father receive financial grants in the home which enables them to keep and care for their own children. Well trained case workers are spending an increasing amount of time working with and strengthening families.

It became necessary during the past year to reduce the number of children in Foster Home care by 35 boys and girls. At one time we were caring for 162 children in Foster Homes. We now have 127. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of money.

Our financial support for this year has come from the following sources:

Thanksgiving Offering	33 Per cent
Cooperative Program	32 Per cent
Once a Month Offerings	18 Per cent
Special Gifts and Endowment	17 Per cent

Members of the Board of Trustees, members of the staff and our boys and girls wish to thank you for your generous support. You have given these children love, food, clothing, shelter, schooling, medical care, recreation, guidance, music and hundreds of other benefits.

One-third of our support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is \$400,000.00. Help this to become a reality!

You may stay informed about the child care program throughout the year by reading *Charity and Children*. This newspaper is published each week by the Baptist Children's Homes. It is now in its 75th year and circulation is higher than ever before—well over 52,000. Every family in every church should receive this Christian newspaper.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

I want to begin this report to you by repeating a statement made by one of the patients at the Baptist Hospital. "The difference between Baptist Hospital and others I have known is its compassion."

That struck me as one of the finest things that could be said about the Baptist Hospital's ministry to the sick. This patient took for granted that a hospital should have skilled doctors, well-trained and capable nurses, and the proper equipment. But he found something more priceless—a ministry marked by compassion!

Baptist Hospital was conceived in the compassionate interest of North Carolina Baptists for the welfare of their fellowmen. The Mother's Day Offering is the expression of our determination that those who are sick shall not be denied medical treatment and hospital care just because they cannot pay for them.

Each year on Mother's Day we re-affirm our responsibility toward our more unfortunate brothers. By our offering to support their care at Baptist Hospital we say to them, "We are making it possible for you to have the service of our fine Medical Center if you need it, whether or not you have the money to meet the costs." Even though the Mother's Day Offering has not kept pace with the increase in the number of needy people receiving medical care, our Baptist Hospital continues to try to serve our people in the fullest measure possible. Last year it provided its largest number of days of hospital care and saw the largest number of patients in the Clinics—78,000 visits to the Out-Patient Clinics, from 96 of the 100 counties in the State, and 75,000 Private Clinic visits.

The New Progressive Care Unit was opened in March, providing 80 additional beds. This is a new and advanced step in hospitalization and patients are highly pleased with it. A new type of unit for the sterilization of surgical and other equipment by gas was recently installed. In the X-Ray Department a rapid film developer is now in use which greatly speeds the preparation of X-ray films.

We are proud of the record of our Baptist Hospital in its dedicated service to the needy sick. Let me say "thank you" to the churches and to those individuals who gave of their time and means to make our Mother's Day Offering the largest yet. This is a wonderful opportunity to express our Christian love and concern for those in need.

REPORT ON CHRISTIAN EDUCATION

There is no doubt that the starting place for Christian Education is in the home. Here the teachings of Jesus are portrayed with love which has its lasting effect. The early years of one's life are memory years throughout one's life.

Many of you know that this year a State Convention Committee on Advance Program for the Colleges and Department of Student work in Colleges has made a report of their findings of the need to strengthen and advance Christian Education in the state. The report reveals the need for \$45,000,000 to partially meet the needs of our youth for the

next 10 years. We are told that the enrolment of our Colleges will double within this period of time. So the challenge is before us to raise the money and provide the facilities and workers to meet the needs—not just for education, but for Christian Education.

The program approved offers substantial benefits to each of the seven Baptist Colleges and to the Department of Student Work in many areas of the state. Even this year it makes possible the advancement of Cambell and Mars Hill Colleges from two-year to four-year programs. We certainly want the teachers in our schools to be God-fearing men and women and recommend these schools to our youth. Christian Education is not something someone has taken, but something someone has accepted. As our youth accept it the course of Christ is advanced as it is revealed through them.

J. J. Hawes

REPORT ON CHRISTIAN LITERATURE

Those of us who read our paper before leaving home this morning noticed at least several accounts of murder, thefts, divorces, rapes and other sundry crimes. Almost any magazine that you pick up and read has articles and pictures that are calculated to stimulate our passions, to incite our desires for things that are contrary to the teachings of Christ and the will of GOD for our lives.

The tragic thing about this situation is that we who profess to be Christians support the continuance of these publications through repeated purchases. We have them in evidence in our homes. Then, we wonder why our young people in increasing numbers are being caught in these same predicaments that the publications we buy tend to glorify.

But thank GOD we do have Christian literature available. Our own denomination offers us OPEN WINDOWS, HOME LIFE, CHARITY and CHILDREN, the BIBLICAL RECORDER, and many other publications that are conducive to Christian growth in the home. It should be the goal of every church in this Association to see that some or all of this literature is placed AND READ in every Baptist home in our county. If this could be realized, what a witness would be made upon the unsaved in our communities.

There are also many other non or interdenominational publishing houses that are placing the Word before people around the world. Some of these are THE LIFE MESSENGERS of Seattle, Washington, THE RADIO BIBLE CLASS of Grand Rapids, Michigan, and THE AMERICAN BIBLE SOCIETY. The latter of these specializes in translation, publication, and distribution of the BIBLE.

THE AMERICAN BIBLE SOCIETY helps missionaries to translate the Bible. It publishes without note or comment and distributes without profit, usually below cost. In cases of special need, at home and abroad,

Scriptures are given without charge. The Bible Society is an active partner of Southern Baptists and serves every form of Southern Baptist work around the world.

During 1960 the American Bible Society—

- rejoiced that some part of the Bible has been published in 1165 languages: the full Bible in 221, a Testament in 277 more, and a Gospel or other complete book in 667 more.
- gave over a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.
- helped the Korean Bible Society to realize their long-sought goal of distributing more than a million Scripture volumes in a single year; also rejoiced in the sustained interest in Japan where, for the last 5 years, Scripture distribution has averaged almost 2 million volumes.
- distributed throughout the world a record total of over 23 million volumes of Scriptures. This was over 5 million more than the number of volumes distributed in 1959 and over 8 million more than the 15-million-volumes-per-year average for the past 9 years.

Southern Baptists Support the Work—

- because the Society serves mission work—and Southern Baptist missionaries depend on the Bible Society for Scriptures they need for their people—Southern Baptist churches believe in the missionary importance of giving to the American Bible Society.
- in 1960 Southern Baptist churches gave \$151,626 to the American Bible Society. Methodist gifts led with a total of \$151,934. Gifts from all churches in the U.S.A. totaled \$1,001,768.

Although gifts have increased and the work has expanded, the worldwide need for the Bible is still greater than the supply.

The help of every Southern Baptist church is needed.

Every church should give at least these amounts each year: Smaller churches, \$10 to \$60.

It is my sincere hope that our Association will support with our financial means and mainly with our use the fine Christian literature that is available to us.

Brothers Gore and Judson were host to the Brunswick Association Executive Committee meeting at Jennies' Branch Baptist Church.

After singing the Hymn, "I Love Thy Kingdom Lord" prayer was offered and the meeting was declared in session.

Brother E. V. Gore introduced the ladies of the church who prepared and served the excellent meal which preceded this meeting. Rev. Mark Owens expressed the thanks and appreciation of the committee.

After the reading and approval of the minutes of the last meeting, the Moderator, the Rev. Mark Owens commented on the good attendance and announced that our next meeting would take place at Farmers' Chapel on May 3rd.

Under the informal combination of old and new business, Mrs. Margaret McCracken, our Associational Missionary gave her report.

The clerk advised that the Associational Minutes would be ready February 2, 1962 and submitted the bill for said minutes.

It was announced that Sister Elsie Robbins would work and assist amongst the colored churches in Vacation Bible School work this year. It was also announced that a 'Pastor's Wives Conference' would be formed.

Under 'Old Business'—We were informed that the requests for financial aid by Elah Baptist Church and Oak Island Mission would be granted.

The two churches under the Watchcare of the Association made reports which were approved and accepted by the Committee. Both churches are making excellent progress.

The Treasurer's report was made, received and accepted. Copies of said report were distributed for circulation amongst the churches of the Association.

The Moderator brought forth for discussion the formation of a 'Builder's Club'. Its success amongst other Associations was noted. It was suggested that this matter be thought on and referred to at our next meeting.

Article 5, of the Association's Constitution was discussed as to regards length of tenure of office of Associational Officers. It was suggested that we think on this matter and make recommendations at our next meeting.

Reports from the Churches Representatives—Reports were heard from all the district representatives except District 5, Rev. Odell Blanton's district. The reports ranged from fair to fine.

In regards to the School of Missions, Mrs. McCracken advised that so far only 12 churches had agreed to participate and that a minimum of 18 churches was necessary.

Rev. Bob Rollins gave a brief discussion about the Evangelistic Committee meeting he attended in Greensboro. He recommended that the churches hold

their revivals as usual, not putting too much emphasis on simultaneous revivals.

Brother Paul Odum reported that Training Union 'M' Night was a success. He urged churches to conduct Study Courses.

Meeting was adjourned with prayer by the Moderator.

It was motioned, seconded and so ordered that forms be printed and used by the District Representatives in making their quarterly reports.

Mrs. Ann Price, Association W.M.U. President gave a brief report and urged that the men of the churches back up the various W.M.U. organizations in the Association.

Proceedings of the 64th Annual Meeting of The Brunswick Baptist Association

MEETING WITH SHALLOTTE FIRST BAPTIST CHURCH
WEDNESDAY, OCTOBER 24, 1962

GENERAL THEME: LED BY HIS SPIRIT

Morning Session

Theme: "Led by His Spirit in Rescuing and Redeeming Our Society"

The Brunswick Baptist Association convened in its 65th Annual Session with the Shallotte First Baptist Church on Wednesday, October 24, 1962. The Rev. Mark Owens, Moderator, called the meeting to order and Rev. Bruce Lanier read from the Book of Acts and led in the morning prayer.

It was motioned, seconded and so ordered that the messengers be officially recognized as the appointees representing the churches of the Association.

It was motioned, seconded and so ordered that the Program of Order be followed as close as possible.

Messengers and visitors were welcomed by the Moderator who also led the assembly in silent prayer with special regards to our nation's leaders in these critical times.

Mrs. Margaret McRacken, Associational Missionary was recognized and she made a series of announcements of interest. She asked that the N. C. State Agency Representatives stand and be recognized. Also asked to stand for recognition were the Pastors and their wives among whom were two new couples, the Rev. and Mrs. Etheridge Young, and the Rev. and Mrs. Thompson. These were welcomed into the fellowship of the Brunswick Baptist Association.

At this time the Moderator appointed the following committees:

Nominating Committee
Resolutions Committee
Place and Preacher Committee
Arrangements Committee

Rev. J. C. Shaw, of the Leland Baptist Church gave the Baptist Hospital report which was adopted by the Association. Then Rev. Shaw introduced Mr. Ben Patrick who spoke in behalf of the N. C. Baptist Hospital.

Speaking in behalf of the Baptist Homes for the Aging, Mr. T. L. Sasser recently of the Hayes Home, told us of the 150 aged persons being cared for and of the four homes now in operation. This report was adopted.

Once again Rev. J. C. Shaw, this time speaking in lieu of Mrs. Shaw who could not be present for reasons of illness, gave a report on the Children's Homes of N. C. This report was adopted. The representative from the N. C. Baptist Children's Homes, Dr. Reid, then gave us some pertinent facts concerning this vital program. A stirring statement from Dr. Reid was that three out of every four applications must be turned away because of the lack of funds to care for them. He further stated that an increase of one hundred thousand dollars in the giving of N. C. Baptists for this cause would

enable them to merely turn away two out of every four applicants. Can't we do something about this?

The clerk then called the roll. There were 133 present. Of this number, 79 were messengers.

An offering was taken in the amount of \$36.86 as the assembly sang, "Work For The Night Is Coming."

The Moderator then introduced Dr. Herman Iley who spoke on the subject of 'Our Total Efforts In Meeting The Redemptive Needs of The World.'

Rev. R. W. Rollins, Chairman of the Credentials Committee gave his recommendation for acceptance into the full fellowship of the Brunswick Baptist Association of the two churches who have been under the watch-care of the Association for one year, Calvary Baptist Church and Peace Memorial Baptist Church. His motion was seconded and a unanimous vote was given for their acceptance. Their church messengers to be given the right hand of fellowship at tomorrow's Session.

Brother Rollins then delivered the morning sermon entitled, 'The Three Imperatives of Christian Evangelism.'

Rev. Young, our host Pastor then adjourned the morning session with prayer.

Afternoon Session

After a one hour period of fellowship and lunch, the afternoon session began with the singing of "Stand Up For Jesus." Responsive Reading No. 81 of the Baptist Hymnal was led by the Moderator who also led the assembly in an opening prayer.

Theme: "Led By His Spirit In Developing Disciples"

Mrs. Margaret McCracken, Associational Missionary read an article entitled, 'The Baptist Association.' Following this, the reports from the various Associational Organizations were given, and adopted.

A skit on the Purposes and Goals of the W.M.U. was given to the pleasure and enlightenment of all present.

At this time the clerk was asked to read the minutes of the business meetings of the Executive Committee Meetings. This was done.

The clerk called the roll and there were only four churches not being represented by messengers.

At this point, Rev. Paul Odum issued to those assembled, copies of a proposed Associational Constitution change. These changes were read and explained and a period for questions and comment was allowed.

A motion was made, seconded and so ordered that Rev. Odum and his co-workers be given a vote of appreciation for the time and effort spent in this tedious task.

The Associational Treasurer, Mrs. George Whattley then gave a financial report which was adopted by the Association.

A motion to adjourn was made, seconded and so ordered. Dismissal with prayer was led by Rev. Bert Bennett of Shallotte First Baptist Church.

A report on the N. C. State General Board's activities and accomplishments was made by the Moderator in the absence of the regular representative.

A standing tribute was given in memory of the recently deceased Dr. Earl Bradley. A prayer was offered in behalf of finding a suitable replacement for Dr. Bradley.

In the absence of Mr. Gordon Maddrey, the Moderator spoke to the Association in regards to the work and progress of the Baptist Foundation.

At 11:15, Rev. Bruce Lanier delivered the morning sermon entitled, "The Christian Church, A Light Bearer." It was considered an excellent sermon, and well delivered.

Dr. Blanton, arriving late as a result of road construction going on in the near vicinity, spoke for a few minutes in behalf of our seven Baptist Colleges. He spoke of the difficulties we face in competition with our State colleges, and the urgent need for increased operational funds.

We adjourned with prayer led by Rev. Marshall Weaver.

Afternoon Session

The afternoon session was opened by the singing of the hymn, "Count Your Blessings."

Scripture and prayer was read and led by Mrs. Alex Bogie of the host church. Titus 2:13 and Hebrews 2:1 were the Scripture passages used.

The Credentials Committee report was delivered by Rev. Bob Rollins who also gave a brief report on the work and progress of the two new churches coming into the Brunswick Baptist Association, Calvary Baptist Church, and Peace Memorial Baptist Church. Both of these churches have done remarkably well.

Calvary and Peace Memorial were then given the right hand of fellowship via their messengers and welcomed to the full fellowship of the churches of the Association.

A brief report was given by the Moderator on the Oak Island Mission sponsored by Southport Baptist Church.

Mrs. Ressie Whattley gave her recommended Associational Budget which was adopted by the Association for the coming year.

At this time an offering in the amount of \$30.17 was taken.

REPORT ON BAPTIST HOSPITAL

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been most pleased with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastors Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastoral work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examinations it is necessary to let the Hospital know if the person needs to come through the Clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. **WE MUST REMEMBER THAT THE HELP GIVEN IS LIMITED BY THE MOTHER'S DAY GIFTS OF OUR CHURCHES.**

The Hospital has prepared a full and attractive Information File Folder covering all of these matters in our relations with the Hospital. A copy is being mailed to all our pastors and associational missionaries. We urge you to acquaint yourself with this, keep it in your file and refer to it when questions arise and when arrangements are being made for patients to go to the Hospital.

Respectfully submitted,

J. C. Shaw

Hospital Representative

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year in our N. C. Baptist Homes for the Aging has been one of great blessing. Of unusual significance has been the opening of our fourth Home, the Hamilton Home, located in Eastern North Carolina, and enabling us to minister to 30 additional people. The residents there are supremely happy and are enjoying the abundant life in this beautiful new facility.

Over the past eleven years we have increased by 8 times our ability to minister to the aging in our midst. In the beginning, there were 20 residents, and now we are able to give loving care to 160 persons in our four Homes—Resthaven, and the Hayes Home, in Winston-Salem, the Albemarle Home, at Albemarle, the Hamilton Home, at Hamilton.

The need for more space is most urgent and pressing. Today there are 138 applicants on the waiting list. We will want to move forward, therefore, as rapidly as funds will permit in meeting the crying demands of our ever-growing population of aging people who need our care.

The Special Day Offerings from our churches are at an all-time high and are likely to go beyond all previous offerings by the end of the fiscal year. We want to thank all who have had a part in these vital offerings, and we would urgently appeal to each church to continue giving as liberally as possible through this vital medium. Ninety per cent of the residents who live in our four Homes are financially needy people and are sustained by the Special Day Offerings from our churches each year.

The plea of the elderly person in our midst, "Cast me not off in the time of old age!", is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed to us.

Respectfully submitted,

William A. Poole

General Superintendent

REPORT TO THE ASSOCIATIONS BAPTIST CHILDREN'S HOMES — 1962

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who shape tomorrow's world. NO task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

Each child who comes to the Children's Homes is different, with a different need to be met and a different problem to be solved. It is the responsibility of the Homes to find the best solution possible. For many years that meant providing food, clothing and shelter for orphans. Today the need has changed. Today our work is with children who for various reasons have lost the security of home and parents.

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these—leaving 476 for whom no room was avail-

able. Provision should be made immediately to expand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering.

Increasingly, your Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services. It is hoped that a step can be taken, within the year, to begin to provide, on a small scale, such services at the North Carolina Medical Center at Chapel Hill.

Financial support this year has come from the following sources:

Cooperative Program	33%
Thanksgiving Offering	30%
Once-a-Month Offering	16%
All Other	21%

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, providing 30 per cent of income. We sorely need an increase of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 children.

We owe a debt of deep gratitude to our friends whose genuine concern for the welfare of our children makes this help possible—especially our Baptist people. You have offered hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

CHARITY AND CHILDREN, our official publication, which this year celebrated its 75th anniversary of service to North Carolina Baptists, continues to grow in popularity and circulation. Each week 55,000 copies are sent to churches and individual subscribers throughout the state and beyond. You are invited to be among these readers and thus stay informed of our child care ministry and other denominational endeavors throughout the year.

Respectfully submitted,

Mrs. Grace Shaw

REPORT OF CREDENTIALS COMMITTEE

Mr. Odell Bennett, Mr. Odell Blanton and Rev. R. W. Rollins, chairman, after prayer and careful consideration of the requests made by Calvary and Peace Memorial Baptist Churches for fellowship in the Brunswick Baptist Association, and after a thorough study of their respective quarterly reports do hereby unanimously recommend to the Association that they be received into full fellowship of the Brunswick Baptist Association.

Respectfully submitted,

REPORT OF THE SUNDAY SCHOOL WORK

The purpose of the program of Sunday School work is to provide an effective support for the churches in their efforts to bring men, women, and children to God through Christ, and to lead them toward Christian maturity by the primary means of Bible teaching.

A study of the Associational program was made by our Southern Baptist Convention and our State Convention to improve our work both in the Association and local churches.

A Sunday School program guidebook for the churches was distributed to pastors, superintendents, and associational leaders.

A project, Operation Home Folks, was designed and launched to reach, church members not enrolled in Sunday School. This visitation proved very helpful to our churches here in Brunswick Association. How I wish and pray that all of our churches would really put on a visitation program filled with love and compassion for our neighbors. I beg you to please go out the highways and hedges and compel our people to "come" before it is too late.

Our Vacation Bible Schools made good reports this year. Five of our churches reached Standard V. B. S., more A Schools and higher attendance was also noticed. Mrs. Myra Motley wrote a letter recommending us on our excellent schools, clinics, and our 100% present to the State Clinic at Wingate. We were one of the five (5) Associations in the 78 in our State with all workers present for the Clinic.

Let me thank our faithful general and departmental officers for coming to our executive meetings and to our training-planning meeting at Supply.

Respectfully submitted,

Harold Williams, Superintendent

TRAINING UNION REPORT

"Lengthen . . . and Strengthen" (Isa. 54:2) was the theme selected for the 1961-62 Training Union Program. We said in our report to the Association last year that this was a worthy theme and every church was encouraged to meet the challenge of this worthy goal. In this past year there seems to have been some genuine effort on the part of some of our churches to fulfill this great challenge. New Training Unions have been organized, increase in enrolment is noted, and "M" night at Mill Creek Baptist Church was attended in a wonderful way, with more than 350 present.

While we have seen evidence of advancement in new Training Unions organized, record attendance at "M" night, a host of Juniors participating in the Junior Memory Work, many churches applying for church awards, pastors classes held there remains yet a great deal to be done. There are still many churches without Training Unions. Only a few make any kind of report to the Assn. Training Union Director, and in some cases Training Union is considered just another organization to be promoted without any thought of the great contribution that it can make even if it were promoted as much as Sunday School. It is sincerely desired that every church represented here today will make Training Union a "Family Affair" in their church. If we will then I am sure that we will be overwhelmed with the outcome.

From the Scriptures there comes an admonition that I feel is very fitting

and proper as it relates to the Training Ministry of our Churches. In I Tim. 4:14 Paul admonishes Timothy to "Neglect not the gift that is in thee." The same exhortation is pertinent for every Christian today. God gives to each of us certain talents, or abilities—some have special abilities for music, some for public speaking and others for leadership. All the natural abilities possessed by the Christian which may be used in the Master's service may be developed greatly in Training Union. Then will the Training Union render a unique service, not only to the individual, but also to the church as an institution.

I trust that the Churches of Brunswick Assn. will give their wholehearted support to their new Director that he may lead us forward in Christ to bigger and better goals for the coming year. Thank you for your prayers, suggestions, and cooperations.

Respectfully submitted,
Paul S. Odum,
Assn. Training Union Director

BROTHERHOOD REPORT

The Brotherhood seeks to enlist, inform, and involve Baptist men and boys in every area of the church's ministry. This general objective is realized through four particular areas: Royal Ambassadors, Christian Witnessing, Personal Stewardship and World Missions.

The significance of informing and enlisting men in World Missions can not be over-emphasized. Missions wait on men whose hearts have been made warm and generous toward the needs of the mission field.

Soul-winning is of utmost importance in Brotherhood work. We are so happy to say that our men are now visiting the lost and showing them in God's word the planned way of salvation. Our first mission obligation is in our own Jerusalem.

Personal Stewardship involves the dedication of life: time, talents, possession and influence. Through this major area men are led to be "doers of the word and not heavens only."

Allow me to thank our Brotherhood officers and Committee Chairmen for being so faithful to our Executive Meetings. Thanks also to our W.M.U. Associational Officers for serving our yearly supper. We were privileged to have with us Rev. Clyde Davis, State Secretary for our speaker.

Respectfully submitted,
S. A. Sue, President

Your Associational WMU Officers bring you this report as we have tried to work toward our goal. We thank each local WMU president and her officers and each pastor who co-operated in helping carry out this important task of promoting Christian missions.

Mrs. Margaret McRacken, Mrs. Maggie Benton and Mrs. Catherine King went with me to the State WMU Meeting in Asheville. This meeting meant much to each of us. We were greatly inspired as well as informed. Mrs. McRacken, Mrs. Benton, Mrs. King, Mrs. Gertrude Williams and Mrs. Emma Young attended the WMU Workshop and Prayer Retreat for Associational WMU Leaders.

Our guest speakers at our Annual WMU Meeting were: Rev. J. G. Goodwin, missionary to Korea and Miss Miriam Robinson, State WMU Executive Secretary. Many thanks to Town Creek Church for the hospitality shown to us.

The highlights of our work for the year was our Youth Camp at Caswell. We had 85 girls and counselors attending. As a result of our camp there were 6 girls rededicating their lives to Christ; 5 girls surrendering their lives for full time Christian service and 5 girls finding Christ as their Savior. Perhaps you were one of those parents who thought \$8.00 was too much to throw away on your child's going to camp. Let me assure you that your girl or boy will never see the need for dedicated Christian workers or feel the call to serve, as such, if we, as parents, and Christian leaders don't see that they have the opportunity to hear and respond to the needs of Christ here at home and around the world. Meeting and talking to "Real Live Missionaries" gives your child inspiration that he probably would never receive from your pastor or youth leader. I urge each of you to plan now to send your children to youth camp for a week next August. Perhaps he or she will say "I don't want to go to camp," what happens when they don't want to go to school or don't want to practice music lessons or sports? You, as parents, are responsible to God for the life of your child; not the school teacher, Sunday School Teacher, Training Union Leader or youth leaders; not even your pastor but You are responsible for your Child's spiritual growth as well as his physical and mental growth.

As we enter our 75th year of WMU work Christ calls each of us to come work with Him and together we'll show the people of our day the way of salvation.

Respectfully submitted,

Ann L. Price

Associational WMU President

ASSOCIATIONAL MISSIONARY'S REPORT

The Birth of Baptist Associations

The beginning of Baptist General Cooperative Bodies is found in the conference at Jerusalem. Doctrinal differences made it necessary to call the brethren together for a council. When they came to a clear understanding, a statement of their decision was sent to the other churches. This did not imply that one church had any control over another. These churches were independent of one another. The church at Jerusalem had no control over the church at Antioch. At the same time, when it came to sympathetic understanding and cooperative benevolence they were interdependent. Thus the plan and policy were started to unite the churches together into an association whereby they could confer and work together, and yet not have a church or clergy dominate the other churches.

It is impossible to interpret aright the Great Commission of Jesus to His Church apart from churches working collectively through associations and conventions in world-wide missions. Paul commended the churches in Macedonia for their cooperative benevolence as expressed thru their giving.

Associations were organized by English Baptists as early as 1642. The Philadelphia Association with 5 small churches was organized in 1707. Then came the Charleston (S. C.), the Sandy Creek, (N. C.). Now there are 78 Associations in our North Carolina Baptist Convention.

The Need and Purpose of Baptist Associations

The dictionary defines the word "Association" as: "The act of associating, as associate body of persons formed for a common objective." The common objective of Baptists is coordination, cooperation and Christian fellowship based upon volunteer oneness of spirit and purpose in the advancement of God's Kingdom unto the uttermost parts of the earth.

The Baptist Association is an expression of New Testament Christian Fellowship. The prayer of Jesus, "Father . . . that they may be one . . . even as we are one"; means far more than loving one another, and getting along with one another.

The "Oneness" which existed between the Father and the Son was a oneness of a world-wide conquest as expressed in such words as "God so loved the world." New Testament oneness of Christian Fellowship, in its deepest sense, means the Father, the Son, the Holy Spirit, and the Redeemed in a world-wide witnessing fellowship.

The Association is the agency through which Baptist Churches collectively engage in activities for ends and purposes which cannot be accomplished by any particular church.

The Association Serving in its Own Area

The Association through its officers and workers provide a well-balanced ministry to all the people within its own area, by promoting cooperation and coordination with all the churches. Through such coordinating efforts, the Association has a well-balanced, well-planned Calendar of Activities, Central and Group Training Schools, Simultaneous Enlargement Campaigns, Evangelistic Crusades, Clinics, Surveys, Schools of Missions, Stewardship Workshops, Schools of Music, Church Officer and Committee Clinics, and other Association-wide endeavors.

Few people know the hours and effort that Associational officers and workers spend in planning and projecting God's program for His people and His churches. They need and covet your prayers and support.

The Association and The Denomination

The Association provides the most immediate means of communication between local churches and the denomination as a whole. A New Testament Church must provide means through which its members can not only be local church workers, but world-wide Kingdom workers. The Great Commission of Christ to His Church demands the highest order of cooperation, coordination and fellowship on the part of local churches, associations and conventions, as they work in a common objective. This is extremely important in the denomination that functions on a voluntary basis. A local Baptist Church is autonomous. Being a pure democracy, it can surrender its rights and privileges to another. On the other hand, it cannot function effectively in the world-wide program of Christ unless it pools its resources with other churches in its denomination for World-Wide Missions.

The Associational Worker: His Area of Responsibility

The Associational Worker, (sometimes called the Secretary of Promotion, Associational Missionary, Field worker, or Superintendent of Missions), is the liaison worker between the local churches, churches and the State and Southern Conventions with their many institutions, schools, and agencies. At present there are 66 Associational Workers in 69 of our 78 Associations, working with the Division of Missions of our Baptist State Convention.

Each year the workers meet for a week of study and inspiration under the leadership of Dr. E. Lowell Spivey, Secretary of State Missions; four days in a workshop under the direction of Dr. Douglas M. Branch, General Secretary of our State Convention; and one week at Ridgecrest at the Home Mission Conference of the Southern Baptist Convention.

The Associational Worker must be informed on all phases of our denominational life, policies and practices; to know techniques of all the various activities in local Church, Association, State and Southern Convention work. He must transmit these to the local churches and its workers, according to the needs on the local level. Thus the duties differ according to conditions in the churches and associations.

Our Brunswick Association

Our Association has wisely adopted an Associational Program and provided for a worker, for there are needs within the area of our Association.

There has been a general strengthening of our church work; surveys have been made to reveal our potential; clinics and workshops have been held to train our workers; Schools of Missions have been held to inform our people; simultaneous revivals have been conducted to win the lost, and a monthly bulletin has been issued to keep our people informed and aware of our plans and the needs of the world.

Mission points have been established in our jail, rest home, and other areas of need, which have been discovered here.

Every church, every pastor, every worker, every Christian who loves the Lord and wants to see His work prosper, should strive to make our Associational Work more effective, and each church stronger, for we cannot have an aggressive and fruitful program of World Missions unless our churches are spiritually strong and mission-minded here at home.

The work of our own Association has not been what your worker had hoped for. We have had many disappointments and set backs this year, lack of interest and cooperation has been the biggest failure on our part. But for the faithful few we are indeed grateful to God.

When I bring you this report you can see that without the prayers and cooperation of a few dedicated women and men we could never have reached our place along with other 78 Associations in North Carolina.

As we think of our work let us look at our various departments of work; S. S.; T. U.; W.M.U.; Brotherhood and Music. Your worker not only undergirds these phases of work but also tries to promote Evangelism, Visitation, and Personal Witnessing.

Our most outstanding work this year was our "Schools of Missions." Fine missionary men and women spoke in 17 of our churches. Seeds were sown that will be bringing forth harvest in years to come.

Another highlight this year was our Sunrise Service Easter morning, led by Rev. Judson Rotan and Rev. Horace Hawes, at Caswell. We regret the loss of Rev. Rotan as Music Director and pastor in our Association. May God bless him as he serves in another field.

Rev. Rotan and Rev. Hawes were very helpful as they worked in our Youth Camp this year. The W.M.U. wishes to thank not only them but the other pastors and laymen who gave of their time and talent to make this our first week camp a most successful one. Sixteen girls came forward the last night of camp, five on profession of faith, five for missionary volunteers and six rededications.

In part allow me to give you some figures on my work for the year. Then we have asked our Departmental Officers to give their reports.

COMMENTS:

The amount estimated to come from Churches is \$356.00 more than what we gave this year. We also have a deficit of \$325.52 that must be paid, over and above what we have in our Budget for this year. This means that we as churches will have to raise \$681.52 more than we did in the past year. This will not be hard for us to do if each church will do just a little bit more toward the finances of our association.

REPORT ON INTER-RACIAL COOPERATION

In my work with the Office of Inter-racial Co-operation I have reached some 250 Negro children and 60 Indian children this summer. Five Bible Schools were held in the Brunswick area. There were 46 professions of faith and one rededication in three of these schools. Dr. W. R. Grigg says this has been our best summer in this area. I have felt a definite undergirding of prayer as I worked with these our Negro neighbors. Our scripture says, "There is no difference in Jew or Greek but one God over all and in all." Thank you for your interest and prayers in this behalf.

Mrs. Elsie Robbins

REPORT ON CHRISTIAN LITERATURE

It would seem quite unnecessary to make a report on the subject of Christian literature before a gathering such as we have here today—many are pastors of our Baptist churches, while others are workers in one or another of the various departments of our churches; but all of us CHRISTIAN leaders and laymen. And yet we know that sometimes the most worthy and best known subjects become so familiar to us that they fail to receive proper attention and therefore are not given their rightful place in our individual lives or in the life of our churches.

There is today a great tendency to "pass up" our denominational magazines for reading matter that is not only trashy and untrue but is so cheap and degrading that it should have no place in our homes or in the lives of Christian men and women. Therefore, this report is on CHRISTIAN Literature, and under this heading we are glad to be able to call your attention to our fine Baptist missionary magazines—first, "The Commission," which brings us most interesting news of our work on every foreign field where our denomination is carrying on missionary work, and second, the magazine on "Home Missions" shows us what is being accomplished in our homeland, the United States of America and its possessions. Whatever we read in these magazines is not some fictitious story, but is wholly true in every detail. Let me say, too, that the reading matter in these magazines is far from being "dry and uninteresting," as many would suppose, but is intensely informative and fascinating reading.

Two of our Baptist magazines give us spiritual food for every day of every month, and we would do well to begin each day with the Bible verse and meditation given us in that little booklet titled: "Open Windows." Also a truly splendid monthly magazine is "Home Life," where every article is written to be an inspiration and spiritual uplift to each member of the family. No matter what his age, he will be able to find something for HIM in "Home Life."

One of our most interesting periodicals is "Charity and Children," which brings us up-to-date news of our Baptist Orphanages and Homes for the Aged throughout the State. And of course we must not overlook the North Carolina publication of our denomination, "The Biblical Recorder," for we SHOULD want to be well-informed as to what Baptists are doing through-

out our State, and "The Biblical Recorder" will furnish us all the latest information we need.

One book we have not mentioned as yet, and I do not feel that this report would be complete without calling our attention to the best Book in all literature—the Holy Bible. As Christians we should be steadfast in our purpose to study the Word and to assimilate its teachings so that our daily living may ever be worthy of the name "Christian." In this connection we would like to pay tribute to the splendid work of the American Bible Society in translating, publishing and distributing the Scriptures throughout the world. The American Bible Society, as you know, is nondenominational, its main purpose being to give the Word to the peoples of the world in their native language. Many of our Southern Baptist missionaries depend on the Bible Society to furnish the Scriptures they need in their work, and in whatever land they may be, the Society is always ready to furnish Bibles, Testaments or Scripture portions, as the case may be. Southern Baptist churches are gladly helping to support the work of the American Bible Society, and it is hoped that the churches in this Association will remember to include in their budgets for 1962-63 the most worthy work of the American Bible Society.

Now that we have been reminded of these periodicals and magazines published by our denomination, let us see to it that some—if not all—of them find their way into our homes, and then to make sure they are read for the information and inspiration they offer. Even when we subscribe to any or all of these magazines, so long as they remain closed and their contents unread, the information they contain will be of no value to us. Let us resolve from this day forward to take advantage of the wonderful help to be found in each of the Baptist publications mentioned, to be better informed as to what our denomination is accomplishing at home and abroad, in order that we may be better witnesses for our Lord and Master in these critical days in which we are living.

NORTH CAROLINA ASSEMBLY

The Baptists of North Carolina experienced during the summer of 1962 their most successful assembly season both in the number of people attending and in spiritual accomplishments. 6,336 guests participated in the Assembly's programs from mid-June to mid-August. 1,717 guests attended youth retreats, BSU planning meetings, and vacationed. For a total of 8,053, this is the largest attendance of Baptists to make use of our North Carolina Assembly. The largest conference week registered was Mission Week with 1,096.

Many physical improvements have been made during the year and further improvements are planned. Some of the improvements will include converting Building No. 20 into a dual accommodation of residence or 40 capacity

group apartment and the completion of the Oceania Motel. Plans also include fencing in pools and a new cement bottom and a children's pool.

We Brunswick Baptists should be proud to have the Assembly so close at hand and avail ourselves of the spiritual enrichment and instructional improvements found in these conferences. Let's continue in prayer that God will bless our Assembly by the sea.

SCHOOLS

North Carolina Baptist Colleges closed another record-breaking academic year (1961-62). The colleges are happy to report their stewardship to the Associations. All seven opened in the fall of 1961 with their largest enrollments: Campbell—1,429; Chowan—752; Gardner-Webb—611; Mars Hill—1,099; Meredith—778 Wingate—912; Wake Forest—2,866; making a total of 8,447.

Of this number, approximately two-thirds were members of the Baptist Church. About one out of eight was preparing either for the ministry or some church-related vocation. They constitute our denominational leadership for tomorrow. In addition to these, hundreds of laymen and laywomen are being prepared for their chosen vocation, giving their Christian witness in every walk of life.

The past academic year saw many excellent physical improvements and additions to the campuses:

CAMPBELL COLLEGE completed the JAMES A. CAMPBELL MEMORIAL ADMINISTRATION BUILDING, BRYAN DORMITORY FOR GIRLS, and a SCIENCE BUILDING.

CHOWAN COLLEGE began a capital fund drive to construct a LIBRARY and CLASSROOM—ADMINISTRATION BUILDING.

GARDNER-WEBB has completed a new SCIENCE BUILDING.

MARS HILL dedicated its new AUDITORIUM and FINE ARTS BUILDING.

MEREDITH has added a new DORMITORY and INFIRMARY.

WAKE FOREST has moved into its new LIFE SCIENCE BUILDING and DORMITORY for GIRLS. The HUMANITIES CLASSROOM BUILDING is under construction.

WINGATE has completed the BUDD E. SMITH BUILDING, boy's dormitory, and is completing the BUSINESS ADMINISTRATION BUILDING.

The total plant assets of these colleges are in excess of \$45,000,000. Several thousands of dollars must be spent each year to keep these campuses up to date and competitive.

The total operating budget of the seven colleges during the year was about \$12,000,000. Of this amount, the Cooperative Program paid about 5%.

In response to Convention action, Campbell College is adding the senior year this fall and Mars Hill the Junior year. By 1964 both of these colleges will be full four-year senior colleges. Wake Forest has made a modest beginning in offering graduate degrees in some fields of duty.

The Convention is in its first year of the Christian Education Advance Program. Under this program each church is asked to increase its gifts through the Cooperative Program 35% for 1962, '63 and '64. Thirty percent of this amount is to go to the colleges, and construction of student centers on non-Baptist campuses. In order to meet our goals, it will be necessary for more churches to increase their Cooperative Program giving by 35%.

The colleges are striving to illuminate the total educational process with the atmosphere of the Christian faith. Opportunities are provided daily and weekly for worship. On each campus is a qualified director of religious activities whose responsibility is to counsel with students and faculty, as well as to correlate and promote a program of voluntary religious activities designed for spiritual growth.

The future of Christian Education in America is at stake today. With increased state and federal interest in and aid to higher education, more and more students will attend state institutions. These state colleges by their nature cannot perform the task of Christian Education. Baptists would be the last group to ask the state to teach religion for them. Let us not oppose other forces operating in the field of higher education, but rather undergird and strengthen our Baptist institutions that they may do their work and do it well.

We want to support our colleges by:

- (1) Acquainting ourselves with our colleges. Visit them, read about them, invite the students and faculty into our churches to conduct services.
- (2) By encouraging our fine students to attend.
- (3) By praying for these schools—the presidents, faculty, trustees, and students.
- (4) By increasing our Cooperative Program giving 35% this year.
- and (5) by observing Christian Education Day, Father's Day—in June.

Respectfully submitted,

J. J. Hawes

REPORT ON N. C. HOMES FOR THE AGED

In September Hamilton Home was officially recognized by a long list of State and Denominational dignitaries, thus adding another to the growing list of Baptist Homes for The Aged. Special offerings from our churches has increased this year by 7½% over last year and so far this year, amounts to \$88,348.45. During the past year, through the combined special offerings from the churches and the Cooperative Program, receipts of \$129,578.00 was given to this program.

REPORT ON EVANGELISM

There never was a time when the Gospel of Jesus Christ was not urgent but many Christians have been slow to sense it. If circumstances can shoel

us out of complacency, then every Christian should be alerted today to the urgency of evangelism in this age of crisis in which we find ourselves today.

Southern Baptists have been blessed by God as few people have been blessed in all Christian history, but with these blessings there are inescapable responsibilities. We are Christians and we must share with those who are not Christians. We are children of light and we must share with those who sit in darkness. Billy Graham said, "America is the world's greatest mission field." If this is true and I believe it is, then we must match this hour of great need with total dedication to evangelism.

Someone has said, "Two things make our age unique. It is the age of total revolution, and it is the age of terrible urgency.

If this is a total revolution, then it means that it will sweep the entire world in its onslaught. This certainly provokes a terrible urgency. This is not another crisis. The world has had many of these. This is total revolution, and it can only be met with any degree of success with total dedication, on our part, to our Lord and Saviour, Jesus Christ.

The past is behind us and the future is before us. What can we do in a practical way to meet this present threat? Evangelism offers us a way to victory, through our local Church, our Association, and our Convention.

MEMORIAL SERVICE

Brother Moderator, Messengers and loved ones of the deceased in our number, I wish to close our meeting on the note of love and remembrance for those in our number who have gone into eternity. As we grow older, we realize more fully what these faithful servants have meant in the promotion of Gods Kingdom here on earth. Now that He has called them home to be with him we wish to pause and thank God for these "loved ones." Many of you have given me names of those from your churches who have gone home since last we met. These will be placed in our minutes of the Association. Such men as Mr. John Ward, Sr.; Mr. Raleigh Hewett and Riley Clemmons; also Mrs. James Garner. Our hearts were grieved when God saw fit to take one of the younger ones, Daniel Ray Mitchell, who had only been married six months. At a time like this we are so grateful to God who has promised to be with us and not to place more on His followers than they can bare. Young Joe Thomas Reaves will be missed for a long time to come. Yet, we must look to God who gave us these precious ones and who has now called them to come to be with Him. Jesus said "In my Fathers house are many mansions . . . I go to prepare a place for you." And with Paul, let us say "For me to die is gain—but to live is Christ," therefore you that have lost loved ones and to each church that misses these faithful stewards, let me say "today God has something more for you to do—will you not be a disciple of His? "The fields (our church fields) are white unto harvest, but the laborers are few." Pray that we may be "Led by the Spirit" of Almighty God to do whatsoever He leads us to do while it is yet day for the night must come for each of us.

Respectfully submitted,
Margaret McRacken

The Missions Committee report was brought by Bro. Price who motioned that request for aid by the Calabash Mission be approved by the Executive Committee. The motion was seconded and so ordered. He stated that the Missions Committee was to meet later this week to consider the Executive Committee's request for a set of requirements to be met for future requests for financial aid.

The Finance Committee report was given by the Rev. Bruce Lanier. It was disclosed that we were in arrears in payment of salary and travel expenses to our Associational Missionary in the amount of \$597.74.

The foregoing reports were all adopted.

Our next meeting was announced for Nov. 5th at Bolivia Baptist Church. The Rev. C. L. Turner will have the devotional.

There being no further business, the meeting was adjourned with prayer.

Proceedings of the 65th Annual Meeting of The Brunswick Baptist Association

MEETING WITH OLD SHALLOTTE BAPTIST CHURCH
WEDNESDAY, OCTOBER 23rd, 1963

GENERAL THEME: . . . "MY UTMOST FOR THE HIGHEST"

Morning Session

Theme: "My Utmost . . . In Redeeming Society"

The Brunswick Baptist Association convened in its 65th Annual Session with Old Shallotte Baptist Church of Grissettown on Wednesday, October 23rd, 1963. After a congregational singing of the hymn 'Higher Ground', Scripture was read from the 4th chapter of Joshua and prayer was led by the host Pastor the Rev. C. J. Piercy. A roll call was made by the clerk which revealed 28 churches being represented by 83 Messengers. Counting visitors, there was approximately 150 people present.

A motion was made, seconded and so ordered that the Messengers present and answering to the roll call be recognized as the Official Body of the Association and authorized to transact the business of the Association.

The first act of business was the adoption of the 'Order of Business' as mimeographed and distributed amongst the Messengers.

The Rev. Mark Owens, Associational Moderator welcomed the Messengers and the visitors. Brother Glenn Parker then welcomed the Association to Shallotte Baptist Church.

Mrs. Margaret McRacken, the Associational Missionary was recognized and in turn recognized the newer Pastors in the Association and their wives. Also recognized and welcomed were some of the Fraternal Representatives. Mrs. McRacken also thanked the host church for use of its new building.

At this time the Moderator made appointments to the following committees: Resolutions Committee, Place and Preacher Committee, Nominating Committee and the Arrangements Committee.

REPORTS

The Hospital Report was given by Mrs. Catherine King and was adopted. Chaplain John O. Solano then spoke for Dr. McGee concerning the work of our Baptist Hospital. Chaplain Solano reminded us that through our contributions to our hospital we showed that not only are we concerned for the spiritual welfare of society, but that we were personally concerned for their physical well being too.

We then heard a report from Mr. Peyton J. Brown who is chairman of the Board of Directors of the N. C. Baptist Foundation. He spoke on 'Stewardship—After Death'.

Representative David Leary from the Kennedy home told of the homes meeting the needs of many boys and girls who are in these homes as a result of some tragic episode in their young lives. Mr. Leary informed us of the desperate need for Staff Members who have the patience of Job, wisdom of Solomon and the compassion of Jesus. He closed by stating that the main goal of the Baptist Childrens Homes is the making of boys and girls from broken homes into Christian men and women.

Bro. J. J. Hawes of Supply gave the report on Christian Education. The report was adopted.

At this time it was our pleasure to hear from Dr. Hollingsworth, chaplain of Wake Forest College. Dr. Hollingsworth spoke at length on the Trustee Proposal. He spoke highly in favor of its adoption. A period of time was allotted for questions from the floor.

Rev. J. C. Piercy was granted permission by the Association to speak for three minutes. He raised the question as to why Dr. Hollingsworth was allowed to speak for approximately 40 minutes in favor of the proposed 'Wake Forest Trustee Proposal' and no time space had been allotted for those who were in opposition to the Trustee Proposal. The Answer given by the Moderator was that no time had been asked for.

An Offering was taken at this time in the amount of \$36.38.

Rev. D. G. Thomas, pastor of Mt. Pisgah then brought the Associational Sermon using as a topic, 'A Modern Religion For A Modern Age'. The Scripture used was, 'I came that they might have life and that they might have it more abundantly'.

The Morning Session was then dismissed with prayer by the chairman of the board of deacons of the host church, Bro. Grover Gore.

Afternoon Session

The Rev. Joe Lassiter opened the afternoon session with prayer and Scripture reading taken from Romans 12th chapter, verses 1-8.

The Associational Missionary, Mrs. Margaret McRacken then gave her Annual Report which was adopted.

At this time Dr. E. L. Spivey, Director of State Missions spoke to us on the subject of: Making World Missions Personal. His Message was inspiring.

After such a wonderful message, the Association led by the Moderator appropriately sang the hymn 'To The Work'.

The Associational Treasurer, Mrs. Ressie Whattley submitted her report which was adopted. At this time she also distributed to the assembled body the Finance Committee's proposed budget for consideration. This to be acted on upon the following day.

Thanks and appreciation were once again extended to our host church and its members for allowing us the use of their beautiful new building and for preparing such an excellent luncheon. Messengers were urged to if they hadn't done so already to give to the Associational Clerk the name of their church elected deacon to represent them on the Executive Committee for the coming year.

Just before dismissal of this days meeting, the Moderator recognized Mrs. J. J. Hewett, Mrs. Mintz of the host church and Mr. Isaac Willetts for their many years of faithful service to the Association.

There being no further business we were adjourned with prayer by the Rev. E. L. Spivey.

PROCEEDINGS OF THE SECOND DAY OF THE 65th ANNUAL SESSION
OF THE BRUNSWICK BAPTIST ASSOCIATION MEETING WITH
BOONE'S NECK BAPTIST CHURCH, OCTOBER 24th, 1963

THEME: . . . MY UTMOST . . . IN DEVELOPING DISCIPLES

Morning Session

After singing the hymn 'Onward Christian Soldiers' led by Bro. Dennis Hewett, Scripture was read and prayer was offered by the Host Pastor, the Rev. Leo Cannon. The Scripture used was found in the sixth chapter of Isaiah. Rev. Cannon then extended a hearty welcome to the Brunswick Association. The Moderator, the Rev. Mark Owens thanked Bro. Cannon and the membership of Boone's Neck for extending to us the facilities of their beautiful church.

The Associational clerk then called the roll of the churches. There were 80 Messengers present representing 25 churches and Missions. There were approximately 25 visitors present. These were once again welcomed by the Moderator.

The first order of business was the giving of a report by Mrs. Cora Frink on Christian Literature. The report was submitted for adoption and it was so ordered.

Speaking to the report was Mr. C. W. Bazemore, Circulation and Promotion Manager of the Biblical Recorder. Bro. Bazemore informed us that there were 28 Associations meeting this week and that he and Editor Marsh Grant were really having to get around. We were encouraged to read widely in order to achieve total vision. Other remarks were, "reading makes a full man", and "a reading Baptist is an informed Baptist, and an informed Baptist is a concerned Baptist, and a concerned Baptist is an active Baptist."

At this time the Association was led in singing the hymn, 'We've A Story To Tell'.

The Rev. Marshall Weaver then delivered his report on 'Homes For The Aging'.

The report was submitted for adoption, and it was so ordered.

The Moderator, Rev. Mark Owens then gave a general report concerning the work of the General Board of the N. C. State Baptist Convention of which he as Moderator of the Brunswick Baptist Association is a member. The General Board acts for the N. C. State Convention between Annual Sessions which meet once a year during the month of November. For instance it was the job of the General Board to nominate a replacement for the late

Dr. Douglas M. Branch. After considering over 85 suggested names they chose to place in nomination Dr. Perry W. Crouch. One of their chief concerns this year is the allocation of a \$4,000,000 dollar budget from a \$3,000,000 dollar fund. Bro. Mark told us that the Board was a group of Christian men doing their best to serve the Baptists of North Carolina to the best of their ability, and that we should support them with our confidence and our prayers.

At this time Bro. Harold Williams our Associational Sunday School Superintendent brought the report of the Sunday School. He motioned for its adoption and it was so ordered.

Bro. Sam J. Corbett of Elah then brought the Training Union report in lieu of Bro. Lewis Harvell. He motioned for its adoption, and it was so ordered.

Next, the Brotherhood report was brought by Bro. Sam J. Corbett who is the Associational Brotherhood President. He moved that the report be adopted and it was so ordered.

Bro. Ed Clemmons of Prospect Baptist Church then gave a brief report on the Builders Club. He expressed disappointment in its poor progress. There are at present 36 members and a total of \$84.00 in the club. It was urged upon the messengers and church representatives to go back to their churches and push for a larger enlistment in the Builders Club.

The W.M.U. Report was given by its President, Mrs. Ann Price of Bethel Baptist Church. She submitted it for adoption, and it was so ordered.

We were then privileged to hear a special musical rendition by the Boone's Neck choir.

The Sermon for the day was then brought by the Rev. Arvel Crawford. His topic was 'Joshua's Last Message'. He spoke about a people exceptionally blessed by God who had come a long and difficult way, overcoming many obstacles and dangers, but a people who failed to give God credit. Joshua's message to this people and to the people of this day is, give God the credit and praise due Him and be ye witnesses of His great and marvelous Grace.

At 12:30 and at the invitation of the host Pastor, Rev. Leo Cannon, we adjourned for lunch.

Afternoon Session

Once again our meeting commenced with the singing of a hymn led by the Rev. Dennis Hewett. Prayer and Scripture reading from the 5th chapter of Matthew was led by the Rev. Ernest Hendrix of Shallotte First Baptist Church.

The report on Caswell Baptist Assembly was given by Mrs. Mildred Milligan. A motion for its adoption was made, seconded and so ordered.

The report on Interracial Cooperation was given by Mrs. Dewey Robbins who is the only N. C. State Worker in this field in Eastern North Carolina. Her report was submitted for adoption and it was so ordered.

Rev. D. G. Thomas gave the report on Evangelism. Rev. Thomas is the chairman of the Evangelistic Committee. It was moved that his report be

adopted and it was so ordered. Rev. Thomas also announced that the first meeting of the Committee on Evangelism would meet at the Mt. Pisgah Parsonage on Nov. 21st.

At this time the Moderator expressed the appreciation of the Association for the excellent meal prepared by the ladies of the host church. Also at this time he recognized and introduced the Associational Officers of the W.M.U. He asked the Messengers and Alternates of Oak Island Mission to stand and be recognized for the fine progress their Mission was making.

At this time the Associational clerk gave a brief report on the progress of the Association as compared with last years reports. It was mentioned, seconded and so ordered that the report be adopted. The clerk was given a standing vote of appreciation for his work during the year.

The Treasurer then presented her proposed Associational Budget for the coming year. A motion was made, seconded and so ordered that it be adopted. Mrs. Whattley, the Associational Treasurer was then given a standing vote of appreciation for the time and effort that she has put into her work during the past year.

The Place and Preacher Committee then gave their recommendation for next years meeting. A motion was made, seconded and approved that their recommendation be adopted.

The clerk was then called upon to give a report of the activities of the Executive Committee meetings during the past year. He read the minutes of the four quarterly meetings. These minutes were approved to become a part of the record of the Associational Minutes.

A report from the Missions Committee was made by the Rev. Marshall Weaver in regards to the prerequisites and qualifications of churches seeking financial aid from the Board of State Missions. These recommendations were adopted by the Association.

Mark Owens, as Chairman of the Credentials Committee expressed the desire of Temple Baptist Church to come into the fellowship of the Brunswick Baptist Association. A motion was made, seconded and so ordered that they come under the watchcare of the Association for one year.

The Resolutions Committee report was given by Mrs. Alex Bogie of Lebanon Baptist Church. These resolutions were submitted for adoption, and it was so ordered.

The Nominating Committee then read their nominations of Associational officers for the coming year with the request that they be approved as read. The Moderator then stepped down and yielded the chair to the Vice Moderator, Bro. Ed Clemmons, to handle this request for approval of nominations. A motion was made, seconded and so ordered that they be approved as read.

Mrs. Margaret McRacken then brought the Memorial Service. This was adopted.

As there was no further business, a motion to adjourn was made, seconded and so ordered. We were dismissed with prayer led by our Associational Missionary, Mrs. McRacken.

THE BAPTIST HOSPITAL REPORT

"And Jesus went about all Galilee, teaching in their Synagogues, and preaching the gospel of the Kingdom, and healing all manner of sickness and all manner of disease among the people." (Matt. 4:23).

Since Missionary Baptists believe and wish to follow the Great Commission given by our Lord, we should feel greatly the challenge of our responsibility of teaching, preaching, and healing. The Baptist Hospital has a great part to play in this great New Testament Command. There is no doubt about it, healing is part of the ministry.

The Baptist Hospital offers a well-rounded program in this field and we as Baptist local churches can help provide the necessary funds to carry on in this field of the Kingdom of God. Our funds given liberally will give a real lift in caring for those who are desperately in need of medical care.

The Mother's Day offering should truly be supported in our churches with much enthusiasm. It is through this offering that cases of real need are helped. Because of the increase in hospital cost and the increase in North Carolina Baptist the Hospital is forced to seek a larger increase in this special offering.

Surely the Baptists of our State will help provide the necessary money if they realize the need, for I have found that when our leaders acquaint their people with the need, the response is excellent. Our need, therefore, is simply that our people be informed of this need, not only by the Hospital Staff, but by the leadership of each local church.

So realizing the great need confronting us as followers of Christ, let us give more than ever before. Then pray God's blessing upon offering and workers in and for our Hospital.

Respectfully submitted,
Mrs. Catherine King

THE REPORT OF THE N. C. BAPTIST FOUNDATION, INC.

Since July, 1962, the North Carolina Baptist Foundation has established an office in the Baptist Building with a full-time Executive Secretary and secretarial help. This is the first time in the history of the Foundation that it has engaged in full-time emphases. The activities of the Executive Secretary have been varied. One of the purposes of the Board of Directors has been to carry the message of the services offered by the Foundation to as many associations as possible; into as many churches as possible; and to as many individuals as he has had the opportunity. These contracts have been quite stimulating and it remains to be seen what results will accrue from these contacts.

On June 30, 1962, we reported to you that the assets of the Foundation amounted to \$303,186.66. The assets of the North Carolina Baptist Foundation as of June 30, 1963, were \$324,256.39. Since the close of business last year in June, 1962, the Foundation has technically in its control two estates of rather large size. The estate of R. Sterling Graves amounts to approximately \$440,000. The estate of T. F. Pettus is in the neighborhood of \$110,000. Both of these estates are in the hands of the trustees of the estates and for all prac-

tical purposes they will be turned over to the Foundation in the very near future. These two estates will push our assets to over \$870,000. The Baptist Foundation has emphasized the fact over and over again that it exists to serve ALL Baptists. Those who have relatively small amounts of money, personal property or other real assets, will find the Foundation is just as anxious to serve them as it is to serve the larger estates. It is a fundamental belief of the Directors of the Foundation that the Foundation exists to serve ALL Baptists.

The Baptist Foundation Board of Directors and the Executive Secretary wish to express their deep appreciation to the various organizations, institutions and agencies that have assisted them with the promotion of the Foundation program. We solicit your continued support and hope that the Foundation will be better able, year by year, to render the services for which it was established.

Respectfully submitted,
C. Gordon Maddrey
Executive Secretary

REPORT ON CHRISTIAN EDUCATION

There are two things of special interest concerning our schools this year. First, Campbell College graduated its first senior class, and second, Mars Hill will graduate its first senior class in the spring of 1964.

Each of the seven state Baptist Colleges had an increase in enrolment in the fall semester of 1962 over the fall semester of 1961. The over all increase was about 9 percent.

The advancement of our program of Christian Education continues to be made possible through the Christian Education Advance Program. The benefits of this will be felt by the colleges for many years to come. All Baptist churches are urged to cooperate with Director R. T. Greene as we move into the final year of the campaign.

More and more are we convinced that the denominational college plays its most vital role in its production of christian leadership. Not only in christian vocations such as the ministry, missions, church music, evangelism, religious education and related fields, but it is contributing a vital leadership through laymen who are serving in many capacities in many communities. North Carolina Baptist colleges now have missionary alumni who are serving all around the world. Almost 200 dedicated men and women are preaching the gospel in many lands and in many tongues. Then, too, Baptist colleges are sending hundreds of graduates back into the local community with a direct interest in missions and other phases of church work. We are most thankful for their many accomplishments.

Yet, as we view the future we recognize the great need, and vision a great challenge, for Christian higher education. It is felt that our colleges are suffering from a lack of sufficient qualified denominational leadership. Being mindful of the real dangers our denomination faces with a decline in the number of young people answering the call to full-time christian service, our Baptist colleges, working through the Council on Christian Education,

have designated Christian Education for 1964 as Christian Vocation Day. This will be a day when the colleges will join our churches in appealing to young people to heed the call to the ministry, missions, and evangelism to prepare themselves to accept positions of leadership in religious education, church music, and many other related fields of work.

It is hoped that the Christian Education Day offering next year will provide help for many young people to answer the call to full-time Christian service, and to go to college. While thousands of dollars are available in scholarships throughout the country for those who want to study science, technology, teaching, or many other professions, there has been no corresponding effort to help the Christian vocational workers overcome their financial problems.

The seven Baptist colleges of North Carolina make an appeal for all churches and all Christian people in our state to join hands in 1964 in making it a great year when we call out the called, and in which we provide adequate funds for helping these young people go to college.

Respectfully submitted,
J. J. Hawes

ASSOCIATIONAL MISSIONARY REPORT

Brother Moderator, Messengers and Friends, we are grateful to you for your presence this day as we join our minds and hearts to think on heavenly things. You are a part of World Missions and this is your task as you serve Him who gave all for us. Let us continue to thank Him for helping us to become what He would have us to become in the days ahead. Let these days be filled with J-O-Y. (Jesus first—others second and you last.)

The Department of Associational Missions has continued in its efforts to study, strengthen and correlate the programs of Associational Missions in the Southern Baptist Convention. During the year your Missionary with many others attending a conference at Gulf-Shore, Miss. to help make our services to the local church more helpful in the coming years.

Certainly your Missionary is concerned that our people give their best support to the work of our denomination. She stands ready to assist the churches in interpreting our great denomination wherever it is felt that it will be helpful for her to do so.

Statistical figures can never tell the story of Missionary labor. They can only give a rough idea of some of the visible evidences which have come about. However, so much of the Joy of my experiences can never be expressed on print but I hope and pray that in the hearts of our youth, men and women that seeds have been sown that will help to make this part of God's vineyard a better place for us to serve Him "In Spirit and in Truth."

Again, allow me to thank each one of you for helping as you prayed and gave of your time to help make this annual report below:

REPORT ON CHRISTIAN LITERATURE

Brother Moderator, Messengers and Friends of the Brunswick Association:

As we have been thinking about making this report today on Christian Literature, we have asked ourselves the question: "Just what is Christian literature?" No doubt many qualities would be included in our answer, but we would all have to agree that any reading matter to be called "Christian" should be accurate and truthful and should emphasize those high standards of living we should seek to cultivate in our individual lives if we would be worthy followers of our Lord Jesus Christ.

All of our Baptist magazines and periodicals, we believe, can rightly be placed under the heading of Christian Literature; so let us look at each of them today and see the progress made during the past twelve months.

First we would take our State denominational paper, "The Biblical Recorder". This weekly paper has been in circulation 130 years, and as Baptist work has grown in our State, the influence and circulation of the Recorder has also grown until today there are more than 80,000 subscribers—the largest number in its long history. The Recorder brings to its readers each week accurate and up-to-the-minute information on all phases of Baptist work in this State, throughout our Southland, and around the world. At the present time, as an incentive to our churches to organize new clubs of four or more members, new subscribers will receive the Recorder for fourteen months by paying the yearly subscription price of \$2.50. Pastors and Sunday school superintendents are urged to take the initiative in organizing a new club in your church.

We have two fine Baptist missionary magazines, which should be coming to each of our homes every month. These are "The Commission" and "Home Missions", and both are filled with worth-while information and inspiring accounts of what is being accomplished on the mission field of our own land and throughout the world through the labors of our Baptist missionaries.

Another weekly periodical we would mention is "Charity and Children", which is perhaps the most widely read and best loved of any of our Baptist literature, for it brings us news about our children's homes and homes for the aged—two phases of our work which mean much to every Christian. The price of an individual subscription to Charity and Children is only \$1.00 per year, or about two cents per copy, and a church may receive one hundred copies for distribution to its members each Sunday for the very small sum of \$5.00 per month. Nowhere else could we hope to receive such a return for our money as in this fine newspaper. Today "Charity and Children" is going into 55,000 homes each week. Let us raise this figure to include YOUR church or YOUR individual subscription in the weeks ahead.

Two other magazines which we should bring to your attention today are Home Life, with its splendid articles for every member of the family, and Open Windows, with its portion of Scripture and appropriate meditation to help us being each day in communion with our heavenly Father. It would be hard to find better Christian magazines than these two.

The work of the American Bible Society should be given an important place in this report on Christian literature, for the reason that it is an active partner of Southern Baptists in the missionary task of sharing Christ with the whole world through the distribution of the Scriptures. The Bible is the essential tool

of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary, for it presents Jesus Christ, the one and only hope of men and nations. It can go where the human missionary cannot go, and it can stay on after he must leave, and keep on speaking to a person's heart. The American Bible Society helps missionaries to translate the Bible so that each person may have the Gospel story in his own language. In many countries, people cannot afford even the cost of printing the Scriptures and in such areas the Society publishes and distributes the Bible without profit, usually below cost. For the blind, Scriptures are supplied in Braille and other raised-letter systems. Southern Baptist missionaries depend on the Society for Scriptures they need for their people, and therefore Southern Baptist churches believe in the importance of giving to the American Bible Society. The help of every Southern Baptist church is needed. Has your church included the Society in its budget for this year?

As Baptists, we are justly proud to be able to recommend all these magazines and periodicals to you today. If you have not availed yourself of the privilege of having them in your home, or more important, if you are not keeping up with our Baptist work at home and abroad through the information these magazines and periodicals will bring you, let us see to it that we add them to our reading schedule each month, and thereby become better informed Baptists and better Christian workers for our Lord.

Cora H. Frink

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

God has blessed the ministry of our North Carolina Baptist Homes in a wonderful manner during the twelve years of our operation, and the past year has been filled with His goodness.

We are now able to serve 160 residents in our four Baptist Homes—the Hayes Home and Resthaven in Winston-Salem, the Albemarle Home, at Albemarle, and the Hamilton Home, at Hamilton.

In June of 1962, the doors of the lovely new Hamilton Home were opened to the first residents, and the halls have been ringing with the laughter and the happiness of the residents there since.

The greatest single need is for more space continually. Today there are 160 people waiting for admission, from all areas of our great State, and it a heartbreaking experience to keep these dear people waiting who so urgently need to come.

The tie with our Baptist people and our Baptist Churches is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern, and the financial support of our people. The two most vital media of support from the churches are the Special Day Offerings, received on the third Sunday of February each year, and the Homes' share in the Cooperative Program. Inasmuch as we receive only 1 3/10% of the State Convention's share of the Cooperative Program, or \$7.92 out of each \$1,000.00 contributed through the Cooperative Program, we shall have to continue to look to the Special Day Offerings for the greater part of our support from the churches.

North Carolina Baptists have given a good account of their stewardship in their ministry to the ageing during these years of a wonderful beginning, and we have the faith to believe that they will continue to move forward in this great area of human concern.

Rev. M. J. Weaver

SUNDAY SCHOOL REPORT

Outreach for the Unreached—Spearhead for Evangelism.

At no time in our history have so many people in so many places been as confused, disturbed and lost as we now find ourselves. We need to take stock of our own Sunday Schools and see where we have failed God and our fellowman. In a day and time when we have better buildings, more trained workers and much better ways to go to Sunday School we need to work harder than ever to try to reach our lost ones. This year is our great jubilee year and we feel that our world is even now on the very verge of "Revival" and our Sunday Schools can bring it to pass. Won't you earnestly pray with me and others that in our Spring Jubilee Revivals that many souls will come to know our Saviour. Our Revivals will be March 8-21, 1964. Plan to join in this great effort to win our many lost ones.

Report wise we have had a real good year in our Sunday Schools here in the Brunswick Association. Our quarterly committee meetings were almost 100% in membership and a real warm spirit prevails among our faithful workers. Mrs. Carson, Mrs. Phelps, Mrs. Williams and Mrs. Robbins have visited in our churches with our Missionary throughout the year. Our workers would be happy to come at any time and help any church if you will call on us.

January Bible Study reached many of our people and our home Study and operation Home Study was used in several churches. In Feb. Dr. Herman Ihley and his Co-workers of the Sunday School Department held a Training Course for all our Departments. Our own workers also helped with this to make it a most helpful meeting.

Our first Action Night to me was the Highlight of the year with Rev. Richard Smith, bringing the message.

Vacation Bible Schools were held in all but three of our churches and 3 missions. Our V. B. S. Associational worker attended the State Clinic and also the State planning meeting. We were delighted to help the State workers have a clinic in the Dock Association and also a negro clinic here in our own Association. Five of our churches again reached Standard V. B. S. and we have 6 or 8 to be A Schools.

Let me continue to beg each of you to keep up your visitation programs in our churches. If you haven't started, do so now.

TRAINING UNION REPORT

My Utmost—For the Highest has been our Training Union theme for the year.

As we look back over the year we wonder how many of our churches have done their best for the Master. How many of you have been faithful to your Training Union? So many of our best leaders are Training Union Directors yet it seems such a struggle to get our people to come to the "House of the Lord" on Sunday nights. We need to keep the lights burning brightly in our churches as well as in our hearts on Sunday evening.

Our "M" Night at Antioch was our best attended meeting of the year. Dr. LeRoy Parker was our guest speaker and the church was packed with 350 present. Our tournament at Peace was a real good meeting and several of our folks went to the Regional Tournament. This year the Regional Tournament meets with us at Caswell. So please plan to come. We will be the hosts to 9 Associations.

BROTHERHOOD REPORT TO THE ASSOCIATION

"When the Brotherhood began in 1907 as the Layman's Missionary Movement, its purpose was to stimulate the zeal and activity of laymen to a more thorough consecration of their time, prayer, and means to the glory of God in worldwide evangelism. A prime object of the movement was the enlistment of men in the affairs of Christ's kingdom. It was a systematic effort on the part of those laymen who had a constraining vision to bring the great mass of laymen face to face with their religious obligation. It was an appeal to laymen from the standpoint of laymen. It urged men to pray daily, study diligently, plan wisely, serve zealously, and give generously that the kingdom of Christ might prosper . . ."

"However, the heart of the Brotherhood work has always been missions and missionary education. Thus, in recent years it has turned more to its original objectives, so that now it carries the responsibility for missionary education for boys, young men, and men. Such education seeks to develop a Christ-like concern for all peoples, an intimate knowledge of how Christian fellowship is being extended at home and abroad, and a hearty participation in all efforts to enlarge this fellowship of Christian faith until it covers the earth."

Howse, W. L. and Thomason, W. O., **A Church Organized and Functioning:** Convention Press, Nashville, 1963, Pp. 91-92.

Brotherhood leadership in North Carolina has set forth a program which is designed to develop a strong missionary movement of Baptist laymen. They like to think of the Brotherhood as "the missionary arm of the church." A definite program of missionary education for men and boys is underway in the associational and church Brotherhoods. Already, some are engaged in practical

missionary activities. These activities involve the enlistment of men and boys already on the church roll, in witnessing to the lost, and giving of their time, talent, and possessions through the church. Activities are a necessary part of the missionary education program for men because men learn more about missions when they are involved in missions. In other words, men learn by doing. Thus, some Brotherhoods are working with the migrant farm laborers, men in prison, and men on probation. At least, some Brotherhoods are serving the deaf people by seeing that the church provides a Sunday school class and worship opportunities for them. The men provide transportation to and from the services for the deaf. These are mere samples of missionary activities which men can and are doing in the church community and association. In North Carolina, 1,450 Brotherhoods, with an enrollment of 35,000, and 2,000 Royal Ambassador Chapters, with an enrollment of 25,000, provide a vast reservoir of strength to be used for world evangelization. Still, in Baptist churches of North Carolina, there are approximately 200,000 men and equally as many boys who are not enlisted. This is a tragic waste of manpower. This fact is an indictment against everything our churches have proposed as methods for calling church members to mature, dedicated service for Christ our Lord.

There will be hope for world evangelization as long as there are men and boys in our churches who organize themselves for the purpose of becoming informed about world needs, and who are willing to become personally involved in World Missions. The opportunity to go into the fields for Christ, for most men, has passed; however, they can still pray and give that others may go. Through the Royal Ambassador program men can provide missionary education for boys. From this host of boys which are in our churches today, will come the men missionaries of tomorrow. If men fail at the point of providing for the boys now, the future struggle for world evangelization is already lost.

"Rise up, O men of God!
His Kingdom taries long;
Bring in the day of Brotherhood
And end the night of wrong."

We wish to thank every one that took part in our Brotherhood work this past year. We pray that more churches will take a part in Brotherhood work this coming year. Let's get to work and turn Brunswick County up side down for Christ.

WMU REPORT

Mr. Moderator, Messengers, and Christian Friends; let me thank each of you who have been interested in and helped promote our WMU work during the past year, and let us together thank God for His patience with us. Our achievements have not been what we had hoped for but perhaps some of you don't know what we, as Woman's Missionary Union, are trying to do, or what our purpose is. Woman's Missionary Union is a missionary education organization in Southern Baptist churches. Its purpose is to promote Christian Missions through a program of mission study, prayer, community missions, and

stewardship. A Woman's Missionary Union is a Woman's Missionary Society with at least one youth organization.

God's revealed purpose for a lost world is salvation through His Son. With this knowledge and the desire to share Christ with others, WMU places permanent importance on the study of missions, prayer and Christian Witnessing. In today's shrinking world, members of Woman's Missionary Union know that current world conditions affect the Christian Witness. Throughout the year we become aware of the needs and better understand the people and areas where Southern Baptist are working. The prayer plans of Woman's Missionary Union are designed to deepen the prayer life of members by encouraging individual prayer and family worship, by giving prayer a major place in every WMU meeting, and by bringing members together for mighty efforts in united praying during our Weeks of Prayer for Foreign and Home Missions and the Season of Prayer for State Missions, and prayer meetings in the homes. Through prayer we have sent out missionaries and supported them. Prayer has opened doors into new fields and given entrance into hearts of people everywhere. Without prayer there is no advance into missions.

A vital part of Woman's Missionary Union is the youth organizations. Youth need spiritual guidance. Again this year our youth camp at Caswell was our high light of "63". When we see young people responding to the call of "dedicated full time Christian workers" we forget all the planning and hard work that has been put forth. Sunbeam Day Camp for eight-year olds was a happy occasion for our younger boys and girls. Many thanks to our WMU Officers and those of you who helped make these successful.

Your association was represented at the state WMU meeting and workshops that were made available to us. Our Annual Meeting was at New Life Church. Our speakers were Dr. and Mrs. I. N. Patterson. Thanks to New Life for the hospitality shown to us. A mission Study Institute was held at Bolivia Church and a Workshop is set up for Nov. 7 at Bethel Church. I'm sure you presidents and pastors enjoyed your supper last year and looking forward to seeing you on Nov. 25 at Leland School Cafeteria. The YWA Valentine party was at Mt. Pisgah.

Our Aim in WMU for 63-64 is a Three Point Program for Progress for the Year of Jubilee. We Aim to Advance, Celebrate the Jubilee and Present Post-Jubilee Program. Our Watchword is "O give thanks unto the Lord; call upon his name; make known his deeds among the people" Psalm 105:1. Ours will be a year of Prayer and Thanksgiving. We pray that we, with the rest of our Brunswick Baptist, may sincerely yield "My Utmost . . . For the Highest".

NORTH CAROLINA BAPTIST ASSEMBLY REPORT

The 1963 Assembly season was favorably supported by the Baptists of North Carolina. It was a very successful season both in the number of people attending and in spiritual accomplishments. Our Brunswick people are gaining much benefit from the presence of the Assembly. Our GA camp was well

attended and much was accomplished both in spiritual development and recreational opportunities. Every effort was made to bring about an awareness of God's presence and to magnify a deep sense of reverence in worship, both private and public, so needed in our day.

Our Assembly provides a happy and profitable experience for our Baptist people in worship, and spiritual renewal. Each week had good attendance and all who came received spiritual enrichment. Many dedicated their lives to full-time christian service, several accepted Christ as Savior.

One of the highlights of the season was the oratorio ELIJAH presented at the conclusion of music week. Both music weeks provided inspiration and better methods of music. Several concerts lifted our level of music appreciation.

The campus has shown many improvements this year under the capable direction of Mr. Fred Smith. He has faithfully worked with his staff to improve in every way possible every phase of the assembly. May we join in prayer that our Assembly will continue to inspire us to give of our very best.

REPORT ON INTERRACIAL COOPERATION

I am proud to represent our Interracial Department working under Dr. W. R. Grigg who is our secretary. It is time Baptists realized that we are inconsistent. We weep bitter tears and dig down deeper in our pockets for a mission offering to send to Africa and at the same time shackle and gag our missionaries over there with our actions at home. They know more about the Little Rocks, Birminghams and Atlantas than they do of the gospel our missionaries are going to tell. If we are not concerned about the negro who is our neighbor we are not concerned about him in Africa. There was a V.B.S. clinic held with them at Longwood with an attendance of a hundred or more. I sponsored a team of their leaders to our state clinic at Wingate, four of them went. This was at the specific request of Dr. Isley and I was glad that Brunswick could have the very first team that had ever attended. I worked in 6 Vacation Bible Schools with some 350 children attending this summer. Pray for this work as a whole and for me especially as I seek to reach these young people for the Master.

REPORT ON EVANGELISM

"Lift your eyes and look on the fields; they are white already unto harvest." Never were our Lord's words more true than they are today. Never has there been a time when the world needed the knowledge of the saving power of Christ, as it does today. Even in our own so-called Christian land there are multitudes groping in darkness, seeking some place to lay down their burden of guilt, fear and anxiety, and not finding it.

If our country was ever ripe for a nation-wide revival, it is today. Our Southern Baptist leaders felt this need, and have laid plans for the greatest evangelistic effort in the history of Southern Baptists. The plans for our Jubilee Revival Crusade, in March and April if carried out effectively,

should do much toward winning America back to Christ. Nine million Baptists on their knees in prayer for a revival should open the flood gates of heaven, and shake the foundations of hell. Our efforts before, while in some spots have borne fruit, as a general thing has been too individualistic and too sporadic. Surely God is leading us to go forth as a mighty army in a united effort to win our own land for Christ. If our home base is secure, we can more effectively win the world for Him.

Surely every Baptist church will want a part in this great Crusade, and surely every individual Christian will want to stand up and be counted. Our leaders have laid out plans for a six months preparation period before our Jubilee Revival. The time to start work is now.

May we as an Association united solidly behind this effort, go into the highways and hedges to win the lost of our communities to Jesus Christ. Having our eyes fastened in faith on Christ, and having a will to work in our hearts.

Respectfully submitted,
D. G. Thomas, Chairman

MISSIONS COMMITTEE REPORT

After much discussion it was agreed that this committee was to do two things:

I. That we were to set up a questionnaire that would give the missions committee the general information needed to be informed about the work under consideration.

II. That this committee provide a set of guiding standards that should be met before any aid is recommended by this committee.

NO. I QUESTIONNAIRE

1. Give a brief history of origin and progress of your group including size, number of families, pastor, Sunday School, Training Union, W.M.U., etc. and prospects and buildings.

2. Do you have a sponsor and if so to what extent is their aid?

3. To what extent do you cooperate with the association, the state convention, the S. B. C.

4. What are your financial resources and obligations at this time?

5. Have you formulated a constitution?

6. Why do you think you need help at this time?

7. Have you applied for aid before?

8. What associational workers have you contacted for aid before and what kind has been given?

9. This questionnaire shall be read and approved by the whole body in a preannounced conference.

NO. II GUIDING STANDARD

1. That the mission committee questionnaire be filled out by the applying group and brought before the missions committee of the executive board by their representatives of at least three people.
2. That any new groups applying for aid be a regular financial supporter of the association, state, and Southern Baptist Convention.
3. That any new group applying for aid have a church of the Brunswick Baptist Association as an active helping sponsor.
4. That a real evidence of need be shown in the area for which they are applying.
5. New groups shall formulate and use a church constitution.

RESOLUTIONS COMMITTEE REPORT

Your resolutions committee presents to you the following for your approval:
Be it Resolved:

First that we give thanks unto our God for this another opportunity of spiritual fellowship, inspiration and to meet again in these annual sessions.

That we express to Old Shallotte Baptist Church and Boone's Neck Baptist Church appreciation for the fine meals and hospitality extended to the association on both Wednesday and Thursday.

That we express our sincerest thanks to each associational officer, to our visiting speakers, to each one who had a part in any way toward our programs.

That we individually and collectively this year 1964 "Launch out into the deep, and let down our nets" until all men know Christ Jesus.

MEMORIAL SERVICE

Let us pray. (Pause in silent prayer for our loved ones who have gone from our group to a better place.)

We thank God and take courage as we look in our Congregation to-day remembering some of our faithful number who are not with us to-day. Death has claimed some of our Young Adults as well as our older men and women. "God moves in a mysterious way his wonders to perform."

We are grateful unto him for giving to us men and women who have fought the good fight and are even now "Praising God and Singing His Glory with the host of Angels on High."

So, dear ones, when you are lonely and sad think on the things that your loved ones would have you think—then turn your eyes upon Jesus and look unto Him who is our Saviour and Lord. "Be ye faithful unto the end" for I am Alpha and Omega, the beginning and the end, the first and the last."

Respectfully submitted,
Margaret McRacken

Finance and Budget Committee reviewed the new budget and discussed various ways and means for meeting same.

The Sunday School Committee met and discussed ways for assisting in the 30,000 movement and ways for aiding in the success of the Jubilee Revivals. Visitation was underscored as one of the best ways of aiding in the Jubilee Revivals.

The Training Union Committee announced the proposal to use the Leland High School Auditorium for the 1964 'M' nite. It was urged that the Associational Executive Committee Members urge the development of Brotherhood Organizations in these churches without one.

The report on Evangelism was given by the Rev. D. G. Thomas, Chairman of Evangelism for the Association. He detailed monthly meetings of the Committee on Evangelism and plans for the promotion of the Jubilee Revivals.

The Promotions report was given by Mrs. Hawes who made several announcements of events to come.

The Missions Committee after examining the requests for aid by Calabash Mission for \$600.00, Shell Point for \$600.00 and Peace Memorials request for \$1,000.00 made a motion that these requests receive the approval of the Executive Committee. The motion was seconded and so ordered.

The Builders Club report stated that there was approximately \$90.00 on hand.

As the time for adjournment neared, Bro. Mark Owens once again urged the support of the members present the promotion of Associational causes and of the Cooperative Program.

The Rev. Weston Varnum was asked to lead in the devotion at our next meeting, at Antioch, Feb. 4th, 1964.

We were dismissed with prayer led by the Rev. Arvel Crawford.

Wesley Varnum, pastor of Gospel Center and Sabbath Home Churches, the meeting was called to order by the Moderator, the Rev. Mark Owens of Southport Baptist Church. Prayer was led by the Rev. Odell Blanton.

The Moderator welcomed the church representatives and expressed appreciation for their presence. A roll call was made by the clerk and the newer members made themselves known. There were 23 churches represented.

At this time the various committees retired for their own group meetings, and upon reassembling gave the following reports.

Sunday School Report: Speaking of the upcoming Jubilee Revivals, stress was laid on the Rally Day at Bolivia as an incentive. Prayer meetings and especially Cottage Prayer meetings were also emphasized. Planned visitation was suggested as a help in making our Jubilee Revivals successful.

Churches were asked to support the Southport Jail and Boarding Home as Mission projects. A report from Temple Baptist Church was as follows; Temple started with a membership of 28, now has 37. Sunday School enrolment is 77, average attendance 52. Offerings good.

EXECUTIVE COMMITTEE MEETING JUNE 8th, 1964

AT SUPPLY BAPTIST CHURCH

The third quarterly meeting of the Brunswick Baptist Association was called to order by the Moderator, the Rev. Mark Owens of Southport Baptist Church. The opening prayer was led by the Rev. Fred Nordan of Leland Baptist Church. The church representatives and visitors were warmly welcomed by the Moderator. The following newer Pastors to the Association were especially welcomed and asked to stand for recognition, the Rev. Smith of Farmers Chapel Baptist Church and the Rev. Dan Carlyle of Sabbath Home.

The clerk noted that there were 25 present. After the reading of the minutes of the last meeting a correction was made and they were approved as corrected.

The Moderator then asked the various sub-committees to meet and report back in thirty minutes. After meeting for discussion and planning, the various committees reconvened and reported as follows:

Sunday School Report: The Sunday Schools rate of growth dropped in the state, but showed an increased in the Brunswick Association. We are being asked to increase our growth by 1% for next year, which would mean an increase of approximately 38 members in the Association. The Sunday School Board has asked for a gain of 7% in the next six years. Emphasis is being placed on getting adults to attend Sunday School.

Training Union Report: The Committee advised that the Training Union should be considered as the Seminary of the Church because it is the only training agency of the church. All Pastors are asked to encourage Training Union attendance from their Pulpits.

Brotherhood Report: So far this year there have been no new Brotherhoods formed in the Association. The assembled were told of the excellent meeting and supper held at Calabash recently. We were also advised that we could look forward to a school on Brotherhoods in the not too distant future.

Budget and Finance Committee Report: The Treasurer's report was discussed and explained. This committee came forth with the recommendation that the Associational Missionary's travel expenses be increased in the amount of \$350.00 per annum.

There was a motion from Bro. Tom Ballard that the Associational Clerk advise the churches that the cost of Church Minutes would be \$1.00 per minute.

The Missions Committee Report: The following recommendations were made by the Missions Committee:

a. That a letter be sent to Temple Baptist Church concerning their lack of support of The Cooperative Program.

b. That the Calabash Mission be allowed to seek Association-wide sponsorship rather than the sole sponsorship of Beulah Baptist Church, as per the request of Calabash mission.

Under old business, the special committee consisting of the Rev. Arvel Crawford, Mrs. McRacken, the Rev. Mark Owens, Eugene Tomlinson and John R. Sellars, appointed for the purpose of bringing a resolution in regards to a Preacher's School to be located at Ft. Caswell brought the following resolutions:

Whereas, the following committee, Arvel Crawford, Chairman, Mrs. McRacken, Mark Owens, Eugene Tomlinson, and J. R. Sellars was appointed by the Moderator to draw up a resolution from our Executive Committee to the Executive Board of the N. C. Baptist State Convention in regards to a Preacher's School at the N. C. Baptist Assembly. Therefore, we make this resolution, that the men of our Association have been traveling to Fruitland for the past twelve (12) or more years, have endorsed the fact that we need a school near home, also it is the desire of many of our young men to have such a school.

Whereas, the equipment and facilities at the assembly at present is only being used about ten (10) weeks during the summer.

Whereas, the equipment is available in the winter, we think it would benefit us greatly to have such a school. We have discussed this with the surrounding Associations, (Wilmington, Bladen, Columbus and Dock), and they too assure us that this school is needed at this particular time, we ask this committee to recommend this resolution to the proper authorities.

Arvel Crawford, Chairman
Mrs. Margaret McRacken
Mark Owens
Eugene Tomlinson
J. R. Sellars

The foregoing resolution was presented for adoption by the Rev. Arvel Crawford. It was properly seconded and so adopted.

After a discussion concerning Article VII of the Associations Constitution, a motion was made to table same until further notice.

There being no further business, a motion to adjourn was made and so ordered. We were dismissed with prayer.

Under new business, the following churches requested that the Executive Committee use their church facilities for next years quarterly meetings, Friendship, Farmers Chapel, Oak Island Mission and Peace Memorial.

As a result of unfavorable reports concerning the operation and maintenance of Caswell Baptist Assembly, a committee was appointed by the Vice Moderator to make inquiries into the validity of these reports and to report back to the Executive Committee at its next meeting. The Committee appointed were the following: the Rev. Arvel Crawford, Bro. Kirby Sullivan and the Rev. Richard Williams.

There being no further business, the meeting was adjourned with prayer led by the Associational Missionary, Mrs. Margaret McCracken.

ASSOCIATIONAL MISSIONARY REPORT

This is the year of the Jubilee. Southern Baptists joined with other Baptists of North America in celebrating the 150th Anniversary of the organization of the Triennial Convention with a great Jubilee session in Atlantic City.

This was indeed a great experience for the large number of Messengers from North Carolina. North Carolina had the most Messengers of any State and let me say the Brunswick Association was well represented by Pastors, laymen, laywomen and your Missionary.

Please allow me to thank each one of you who had a part in making it possible for me to attend this most "highlight meeting" of my life. Our churches responded well to our Moderators request for a "special love offering". Thanks again and again!

Now that the Jubilee Year has come and gone we can take heart from the blessings of God, but we must redouble our own sense of Consecration and determination to accept more fully his Lordship in our lives.

Let us Worship Him "In Spirit and in Truth" as we major on "Worship" this coming year in Sunday School, W.M.U., and Training Union.

The task of Promotion is usually of two major types, individual and groups. In the course of the last year I have "promoted" before hundreds of individuals in our Association and to many more in various groups throughout the Association. Each opportunity to confront and confer with our people over this Association concerning the many aspects of our Great Program for Christ has, indeed been a distinct privilege and high honor—for which I am humbly grateful.

Also in my field of Promotion I seek to remind our people of the two main channels of Missionary giving. The Cooperative Program and our Special Offerings, which provide not only for our Association and State, but for the resources for a world-encircling task. These offerings have grown in parallel lines. If either fails to grow, advance would have to cease. Let us seek to do our best for the cause of Missions. God can use you—Give Him your all.

My Stewardship of Service for the past year is as follows:

Miles traveled	33,380
Individual Conferences	1,116
Group Meetings	396

REPORT ON MINISTERS RETIREMENT PROGRAM

From every standpoint the Annuity Board has had the best year in its history. This has been possible through the united efforts of everyone involved, but in truth the credit must be given to our Lord, who has been the guiding hand of the Annuity Board since its beginning. It is to Him thanks are given for continuing to guide and direct and for the privilege of being allowed to give this report for another successful year.

BASIC PLANS.—The basic plans are Ministers Retirement Plan, now closed to new members; the Southern Baptist Protection Plan; both of which are pooled plans administered by the Annuity Board for the various state

conventions. There are other basic plans operated for various boards, institutions, and other agencies of both state and Southwide conventions. The following figures refer to the State Protection Plan: 66 per cent of the co-operating Southern Baptist churches are in the plan.

In our own Association we do not have nearly enough of our churches participating in the Retirement Plan. Let me encourage each church to look into this and see how well you are protected. (Not only does this help our Pastors, but it is also a way for the church to be prepared for help when needed.)

BAPTIST CHILDREN'S HOMES REPORT—1964

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. It is the purpose of the Children's Homes to develop the highest quality of men and women possible out of boys and girls who are served. Careful attention is given to their needs, both present and future.

Children are accepted as they are when they come to the Homes. In the spirit of Christ, they are recognized for their sacred worth and value. They are provided food, clothing and shelter. But of greater importance than material things in the genuine interest, concern and love given every child by the Christian men and women who work with them. Many children who have known only heartbreak and tragedy learn to love again—learn to trust in themselves, in adults and in God.

A member of this year's senior class expressed her appreciation for the Children's Homes in the following way: "Living at one of the Homes has given me a chance to make something out of myself. I have been afforded the opportunity of getting a good education. Things have been learned and friendships have been formed which will bless my life as long as I live. Best of all I have learned to know, to trust, to follow and to serve Christ as my Saviour. I want North Carolina Baptists to know how very much I appreciate all that they have done for me and for thousands of other boys and girls who have needed a home, love and care."

Applications for the admission of children to the Homes far exceed resources with which to care for them. Areas of unmet need in child care await our attention. Many couples who have a double measure of love to share with homeless and dependent children have a wonderful opportunity of service awaiting them through the foster home program.

Genuine appreciation is expressed by those who direct our child care program for all who have helped to make this ministry possible. Income through the Cooperative Program, through the Thanksgiving offering and through special gifts are vital to the services which are provided those who need our help.

The cause of the homeless and dependent child has been championed by the Baptist Children's Homes of North Carolina for 78 years. His worth, dignity and sacredness as a human being has been expounded consistently. For one to move across the years with this agency and its ministry is to catch step with the lowly Galilean who said, "I am come that ye might have life and that ye might have it more abundantly."

HOSPITAL REPORT

Luke 9:2 "And He (Jesus) sent them to preach the Kingdom of God and to heal the sick."

If it were not for the "patient," there would be no need for the hospital, nor would there be any need for doctors and nurses. The story of the Good Samaritan and Jesus' concern for the physical needs of people are vividly stressed in importance throughout the New Testament. Almost all of the miracles performed by Jesus and his disciples related to the health of the afflicted; that is to say, healing the lepers, causing the blind to see and the lame to walk, and in fact raising the dead.

It thus becomes a responsibility from which we North Carolina Baptists cannot escape, nor can we cast lightly aside the ministry of healing the sick and those afflicted with maladies. This is a ministry that is as old as time and will by the same token continue as long as life shall last. Your Baptist Hospital in Winston-Salem is the instrument through which we have an opportunity to work in this realm of need. It not only calls for your financial help, but it likewise merits your prayers. We here in Brunswick County have oftentimes seen this hospital minister to the needs of our people, and have further seen the wonders performed in the lives of several citizens and residents of our association. Many of our friends and neighbors have been ministered to in this hospital, oftentimes without charge, and in other instances at charges in relationship to their abilities to pay. We are grateful, therefore, for the Mothers Day offering and its applied use in providing this professional need to those who are not able to pay for such treatment.

I am happy to report that our last Mothers Day offering was a substantial increase over the preceding year or years, but, even so, it is but a small amount in proportion to that which we could contribute were we to put forth a more concerted effort. The Mothers Day offering takes care of the hospital and medical bills for those patients who are unable to pay, while funds paid through the Cooperative Program are used for debt payments and purchasing necessary equipment. There are always needs at the hospital. The demands for services far exceed the available space. The hospital is ever expanding its operations, but even as it expands our demands for additional services seem to increase at even a faster rate. This speaks well for our

hospital, but at the same time it is a continuing challenge to us to do even more year by year for the hospital than we did in the preceding year or years, that this ministry may continue to increase and reach out to and touch the lives of more and more of God's people.

REPORT ON NORTH CAROLINA BAPTIST HOMES

One of the distinguishing marks of a truly Christian spirit is a tender regard and gentle care for those less fortunate than ourselves. "Pure religion and undefiled before God and the Father is this, to visit the fatherless and the widows in their affliction and to keep himself unspotted from the world." (James 1:27)

Due to better health care, and other causes we have an ever increasing number of people of advanced years amongst us. Many of these aging people have no suitable place to spend their declining years. Baptists are trying to meet this need among their own people by providing homes for the aging. The practical nature of this ministry is seen in the fact that the homes we have are filled to capacity and large numbers have applied for entrance and are anxiously awaiting a vacancy. The need is great.

There are two suggestions that your committee would make:

- (1) That the churches of this Association give loyal support to the cooperative program which helps finance all our mutual undertakings including a small amount to Baptist Homes and that they give generously to the special offering for this cause on the third Sunday in February each year.
- (2) That we commend to our State Convention the fostering of simple, comfortable homes where the aged, with very limited incomes, who need this ministry most, may find care and comfort and Christian surroundings in their sunset years.

SUNDAY SCHOOL REPORT

Let me ask your permission to go back and review our work together as I have served as your Sunday School Superintendent of the Brunswick Baptist Association.

For the past 8 years I have tried by the Leadership of the Holy Spirit to lead in this endeavor. I am grateful that God has led us through valleys of disappointment and hours of temptations when we felt that all was in vain—almost lost. I am thankful too that we have such a strong Denominational Program to undergird our work in the Association and the local church. "Togetherness" is our strength. Therefore, I wish to express to my various Sunday School leaders "thanks for their presence, prayers and praise as we have worked together through these years."

We have witnessed new growth both in Buildings and numbers. As classes were divided, new departments were organized and new Missions became our launching pad for extension.

Every church and Mission in our Association has a Sunday School.

We were one of the few Associations last year to show a gain instead of a loss in Sunday School enrolment. This is good, but we must do better.

At Action Night, September 15th, our goals were put before our people and a stirring message on "Concern for People's Spiritual Life" was brought to us by Reverend Colon Jackson, Fayetteville First.

Let me beg of you as never before to back our "Adult Thrust" this year. We need our Adults in Sunday School and if we fail here our hopes are **dim** for the future in Sunday School work. "Don't send your little ones to Sunday School but bring them". This is a family affair and we need the whole circle.

TRAINING UNION REPORT

Our Training Union met for "M" Night this year at Town Creek Baptist Church. Seventeen of our churches were represented by some 213 people. We heard an inspired message from Mr. William Mitchell, Assistant Secretary in Charge of Jewish Work for the Home Mission Board of the Southern Baptist Convention. Mr. Mitchell is a wonderful example of GOD's power to call a successful man from the business world to full time Christian ministry. His message had a meaning for every Baptist in Brunswick County. We all should have been there to hear him.

Our Association was host to the Regional Tournament this year. We had a fine afternoon and evening at Caswell. It was disappointing, however, that there were so few entrants from our Brunswick churches. Won't you church leaders and parents begin right now to encourage your children and church brethren to participate in these events. Knowledge of the BIBLE gained through preparation for these tournaments can never be taken away.

Our theme for this year was "Commit Thou to Faithful Men". We have a message to commit to a needy world, but we need faithful men and women to give and live this message. One of the best ways to raise up faithful people is through the Training Union program of the church. When we look about us and see the nations where the doors are closed to religious training we should be ashamed that we are so negligent in grasping this opportunity for learning more about GOD, Jesus our Lord, and our heritage as Baptists.

Won't you pray that GOD will lead us in the Training Union program that we may enable all of our people to grow in grace and in the knowledge of our Lord, Jesus Christ, to His everlasting honor and glory.

BROTHERHOOD REPORT

The Brotherhood offers assistance to the churches in the area of missionary education for men and boys. The two-fold objective of the organization is as follows:

- (1) To encourage men and boys to become informed on missionary programs of Baptist.
- (2) To encourage men and boys to become personally involved in missions. Permeating every effort of the organization is an earnest desire to strengthen the church which is the foundation of world missions.

The missionary education program of the Brotherhood is motivated by the conviction that no program of world missions can survive without churches which have in their membership a solid corps of men who feel personally responsible for the propagation of the gospel. This conviction motivates the Brotherhood to provide programs of leadership training which will prepare men to permeate every segment of society with a genuine Christian influence. Successful fulfillment of these objectives calls for men who are fully committed to the total stewardship of life.

Therefore, the Brotherhood seeks to accomplish this task by following two distinct courses of action: (1) To call attention to general areas in which men can be of unique service. (2) To provide a program of leadership training which seeks to train key men who will, in turn, offer leadership training to the churches.

Men can strengthen the church pulpit ministry in two ways. They can encourage a well-informed ministry, and they can guarantee a free pulpit. To strengthen the pulpit ministry, men should do everything in their power to encourage the preacher to be well informed as to the message of the Bible and to be sensitive to the will of God for his people in our day.

The greatest deterrent to moral and spiritual decay is the preacher whose message is a combination of the authority of a scholar and the compassion of a shepherd. However, this, too, will pass from us if the pulpit does not remain free. Even though every member of the church may not agree with all that the preacher says, they can agree to grant him the privilege to say it. The organization of men in the church can guarantee the preservation of the prophetic message "thus saith the Lord." It can and must do this by assuring the preacher that he may speak his convictions without jeopardizing his security or position.

Another great area of missionary endeavor is that of providing an adequate missionary education program for boys. The Royal Ambassador organization is the finest program that our churches have ever received as it relates itself to preparing the heart and mind of a boy for God's Call to Christian vocation. Boys have a natural inclination toward joining an organization for boys. The combination of camp craft and related activities in the Royal Ambassador program opens a way to the boy's heart. After his attention is captured by the program of activities, it becomes relatively simple to teach him the fundamentals of Christian living and dedication of life. The hosts of boys in our Baptist churches stand before us as a field white unto harvest. From these will come the missionaries of the future, as well as the mission-

aries' support so necessary to maintain this program. Men cannot fail in offering their support in finances and leadership in this great area of missionary significance.

In the way of summary, the Brotherhood is anxious to be of service to provide programs and training opportunities to men who, in turn, will invest their lives to strengthen the home base of world missions. The Brotherhood movement must become the greatest missionary movement for Baptist men of all times.

We now have seven organized Brotherhoods in the Association. Let's all go to work and try to have 14 next year.

Please call on your Brotherhood President for help at any time.

We had a wonderful workshop at Elah Church, the 19th-20th of October. In the past year your Brotherhood President attended Brotherhood Conference in Raleigh, attended Brotherhood briefly meeting at Camp Caraway and had the pleasure of seeing the work the boys are doing.

We wish to thank every man and boy that took part in our Brotherhood work this past year. Let's pray daily for this great work.

W.M.U. REPORT

Brother moderator, messengers, and friends; again we come to the close of another year. Can we say, "I have done my best for the cause of Christ during the past year"? I'm afraid that we have left undone many of the things that we know we could and should have done. I thank you, and I thank God for having had the blessed privilege of working for five years as your W M U president. I think having had this opportunity I can be a better worker in my local church, and I know it has made me a more informed and inspired Christian. I wish to thank, you, pastors, women and their husbands, in our local churches for co-operating with us in our missionary endeavor. Most of all, I express my gratitude to the dedicated women who served with me on our W M U Executive Board. You are fortunate to have one, who has had much experience in Associational W M U work, for the next President. Won't you pray for her and pledge to work with her during the next year?

I had the wonderful opportunity to attend the W M U Southern Baptist Convention and The Southern Baptist Convention in Convention Hall in Atlantic City. This was a wonderful experience, meeting and fellowshiping with Baptist from all over our world and the leaders of our Southern Baptist Convention.

Our Annual W M U Meeting was with the Bethel Church. Thanks to Bethel for the warm welcome shown to us. Miss Gladys Farmer, missionary from the Good Will Center in Columbia, S. C., was our guest speaker. I'm sure those of us who heard her was richly blessed and challenged by her message and the slides she showed. Rev. Mark Owens brought a message of

Dedication. Our W M U Workshop and Presidents and Pastors supper was a great success. A Prayer Retreat, under the leadership of our Prayer Chairman (Mrs. Gola McKeithan) was most inspirational, for our W M U Executive Board, local W M U Presidents and their Prayer Chairmen.

Eighty girls attended and enjoyed our G A Camp this year at Caswell. I thank God for the opportunity to work with these fine girls, and to you for helping them to come. We also had a Y W A Party and Sunbeam Day Camp for eight year olds. Both of these was well attended. All of our Associational W M U officers, except one, was able to attend our State W M U Workshop this Fall. We are preparing ourselves so that we can be of better service to you.

As we look forward to a new Associational year, let us rededicate our lives anew to Christ asking Him to use us in whatever way He needs us. In Matthew 9:37, Jesus is telling his disciples to pray to the Lord of the harvest that he will send forth labourers into his harvest. Jesus didn't tell his disciples to pray for lost people but pray for labourers to witness to and win lost souls. It's easy for us to give a little of our earnings to spread the gospel in the world, but we can't go to our next door neighbor or friend and tell them about Jesus' love for them. How tragic it would be for us in the Brunswick Association to gain the whole world and lose our own association. In Romans 10:1, Paul writes that his heart's desire and prayer to God was that Israel might be saved. Fellow Christian friends, my heart's desire and prayer to God this day is that Brunswick might be saved. Then we can go out and win North Carolina and our United States, and the Whole Wide World for Jesus!

REPORT ON CHRISTIAN EDUCATION

The Baptist Colleges of North Carolina look with pride and a spirit of humility upon their growth and accomplishments during the past twenty five years. Today our seven Baptist colleges, Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate, have an enrollment of more than 11,000 students. Their total property value exceeds \$60,000,000. They have graduated almost 50,000 students. Surely our church people will be pleased to learn that enrolled in these seven colleges are 426 young men and women studying to be pastors, missionaries, directors of religious education, and leaders in church music.

The Cooperative Program is a lifeline to our Baptist colleges. It is a guarantee of income which makes it possible for them to qualify as accredited colleges.

The ties which bind these seven colleges to the Convention are not now, nor have they ever been primarily financial. The true ties which bind us together are the results of the teaching of God's word, which we as Baptists believe is our mission. It is a covenant relationship where people work together to achieve a common goal.

The support of the Brotherhood in promoting the 1964 Christian Education Day emphasis was most helpful and greatly appreciated, and, there was a splendid response in the offering. The Christian Vocational work will be a continuing emphasis of the Council. The theme for Christian Education Day for 1965 will be built around "The Contribution of North Carolina Baptist Colleges to Lay Leadership".

The Council of Christian Education is now engaged in a serious self-study covering many phases of the Christian Education program. A study concerning the needs of the ministerial student and the Christian vocational worker should be of special interest to the people of our Association. This study will deal with the enlisting of more young people in full-time Christian service, studying ways and means of more financial help, and also, how the churches and colleges can work more closely together to meet these needs.

The Council has produced a pamphlet this year directed toward the young people in the local church who wish to attend a Baptist college. This pamphlet will show parents how to figure the actual college cost, what financial help is available, and also how to get information about these Baptist colleges and about admission procedures. Copies may be obtained by writing the Council Office, 301 Hillsboro St., Raleigh, N. C.

The colleges wish to express appreciation to the churches of the Brunswick Association for their support in helping make possible their continued operation.

1964 REPORT ON CHRISTIAN LITERATURE

In the modern world nothing stays around very long that doesn't have some definite purpose and mission. The BIBLICAL RECORDER, now 131 years old, grows in strength and stature because its course is fixed upon the primary purpose of service to the Baptist of North Carolina.

Never has there been a day when the Christian witness was more needed in dealing with the problems of the world. The church at work in the world needs all the information and insight it can get. Our democratic form of church government is founded upon the belief that people will do the right thing when properly informed. To help Baptists fill these needs, the RECORDER seeks to do the following:

1. TO INFORM. Baptist cannot properly do until they properly know. With special attention to the interests and needs of Baptist in this state, the RECORDER staff gathers, sifts and publishes significant news from as many sources as possible. It keeps abreast of the important activities of the State Convention and its agencies and institutions. As much as possible, news from the wider circles of the Southern Baptist Convention and the entire Christian world is presented.

2. TO INTERPRET. Increasingly it is becoming necessary for responsible publications to help readers understand the meaning of events. The

reasons are many. Daily the world becomes more complex and events and personalities become more entangled. Most people face such a flood of information and propaganda from every direction that it is hard to sort out the important things, set them in proper context and understand them. With the resources of full information, close contact with denominational leaders, pastors and others, plus many years of experience, the RECORDER seeks to say something about the meaning of events as well as reporting them.

3. TO INFLUENCE. Like the individual Christian, a Baptist paper has a responsibility to let its light shine in the world. A long record of service, integrity and courage has earned respect for the voice of the RECORDER both within and without the denominations. Proper use of that voice, lighted by the New Testament and conscience, is both a service and a sacred trust. Take the lead in seeing that every family in your church receives the RECORDER.

THE BAPTIST PROGRAM is a magazine that has much to offer the lay person as well as the pastor. The magazine is what the title implies, the program of Southern Baptist. In this monthly publication we keep abreast with the latest ideas, techniques, and methods of advancing the Baptist work.

The HOME MISSION and THE COMMISSION are two of our best mission publications. These magazines gives us inside information on the things that are happening on the mission field.

CHURCH ADMINISTRATION, CHURCH LIBRARY, and CHURCH RECREATION are three magazines that are almost a must in the life of every Baptist Church. One cannot know the value of these publications unless you are privileged to read and study them.

HOME LIFE is an excellent magazine for the entire christian family. One of the most widely read magazines that is on the market. THE SUNDAY SCHOOL BUILDER and THE BAPTIST TRAINING UNION are also a must in the life of a church. With these magazines you come to know the organizations of our church and to better acquaint yourself with the functions of these organizations. THE JUNIOR MUSICIAN and THE CHURCH MUSICIAN are two publications that the music director and the choister will make great use of, if they are made available by the church. CHARITY AND CHILDREN is a newspaper that is published each week by the boys and girls of our children's home. This is a very good paper to have come into your home each week. THE BEAM, published by the radio and television commission, is a magazine with information about the programs of our great work. TOMORROW is published each month by the Christian Action League and is concerned with alcohol in the State. THE PASTOR'S FRIEND, the only non-Baptist magazine that I shall mention, is a storehouse for the preacher. In it are usually five messages by different preachers across the nation. THE ROYAL SERVICE is another one of our fine magazines. Published by the W.M.U. of the Southern Baptist Convention.

There are many more excellent publications on the market today, but it is my conviction that none of them measure up to our own Baptist publications. Therefore, we recommend that you read good Christian literature and keep abreast with our denominational work. It is true, but what a shame, that our young people, the leaders of our churches tomorrow, can go to the newsstand and buy most any kind of trashy literature that he wishes. We believe

that if good literature is made available to our young people they will become accustomed to reading the good literature and will leave this "filth and trash" to remain on the news-stands.

Could I challenge you to take advantage of the fine literature that we are blessed with, and make it available to your children? Pastor's, and leaders of our great work of our Southern Baptist movement and the greatest task that has been assigned to our hands, would you recommend to your churches to avail themselves of the good literature. In doing this you may be saving a soul from hell, and making it possible for someone to know Christ as Saviour and Lord of life.

Arvel Crawford

BAPTIST ASSEMBLY REPORT

The Assembly was well supported by the Baptists of North Carolina for the 1964 season. It was a very successful season both in the number of people attending and in spiritual accomplishments.

The staff was composed of splendid college students, teachers, couples engaged in seminary study and other christian men and women. In addition to these, faculty members from the various colleges and seminaries were made available for specialized work in the assembly programs. Our people were thus instructed in the latest methods and practices in Christian Education.

Mrs. Mildred Hewett

REPORT ON INTERRACIAL COOPERATION

I bring you greetings as your representative of the Interracial Department of North Carolina. The department is supported jointly by National Baptist Convention, North Carolina State Convention, and the Home Mission Board. There have been six Bible schools held in Negro churches, with nine churches included through joint schools. With 579 teachers and pupils registered. One week in camp at Pembroke with 40 enrolled making a total of 619 many of these schools held adult classes who were over and above and not listed in this number. There were 17 professions of faith and 22 rededications in Bible schools with \$59.99 given through the Unified Program to the General Baptist Convention. These Bible schools covered almost the length and breadth of Brunswick County beginning at Longwood and reaching to North West and Navassa so you can get an idea of the many miles traveled. We wish to express our thanks to you for your part in this work through your gifts to State Missions and Home Missions and may our prayer ever be, O Lord help us to be makers of ourselves that we may become the servants of others (Pater-son).

Respectfully submitted,
Mrs. Dewey Robbins

REPORT ON EVANGELISM

The special five-year effort (known as Baptist Jubilee Advance), in evangelism and missions on the part of the Baptists of North America came to a close at the joint meeting of the groups in Atlantic City, New Jersey, in May 1964. What was done is now history and we cannot go back to improve or to change the record.

The record of our association reveals the following additions to the churches in 1964.

By Baptism, 130; by letter, 152; Total 282.

The inevitable question arises, where do we go from here? What shall we do in 1965?

We can and we must search our hearts before God to find His will for us to experience His empowering as we endeavor to be obedient to His commands. This we need as individual Christians, as churches and as a denomination.

Most of us need to take a fresh look at evangelism as it is practiced in our personal lives and in our local church. To do this on the right basis we must first make an honest effort to see what evangelism is as it is revealed in the New Testament. A good definition of the New Testament picture of evangelism is found in the new SOUTHERN BAPTIST HANDBOOK ON EVANGELISM which is as follows: "Evangelism is the outreach of the church by confrontation with the gospel of Christ to bring people to a personal faith and commitment to Christ as Savior and Lord, in order that the committed may become a part of the outreach."

This wonderful experience of Christ confronting the lost through His people will not become a reality in a life or a church merely by accepting and adopting a creed, a statement of doctrine, a set of rules for conduct. There must be the experience of being in Christ and a perennial vigilance in seeking to be used of Christ in His purpose of redemption. In the light of these and other pressing truths we should ever keep before us these objectives:

1. To keep all programming and activities aimed at creating a spiritual atmosphere for evangelism in every church.
2. To keep alive a perennial awareness of the urgency of personal witnessing on the part of every Christian.
3. To refine and intensify our revival efforts.
4. To seek to keep the message positive, practical, scriptural and spiritual with unceasing prayer and diligence.
5. To spare nothing in seeing to it that then new and old church members become a part of the outreach.

Again we ask, where do we go from here?

Because of the direct correlation between Adult advance and church advance, an outreach effort designated as the Adult thrust is being projected as an avenue for advance.

The Adult thrust offers to churches a practical plan for advance. Will you prayerfully and carefully consider asking your church to adopt the Adult thrust plan as its major outreach effort for the new year? The potential of this plan properly used is unlimited.

D. G. Thomas

COMMENTS OF TREASURER

Since the State Board has decreased its aid to the Brunswick Association by the sum of \$48.00 for year 1964-65, and the churches gave a total of \$3,498.48 this past year, then in order for us to meet the proposed budget set out above, the churches must increase their gifts to the Association by the sum of \$232.93. However, if each church will increase its gifts to the Association by only a small amount we can meet the proposed budget. As missionary Baptist churches, it is our duty to finance the program of the Brunswick Association, the first link in the chain of World Missions.

MEMORIAL SERVICE

Paul, possibly the greatest Missionary other than Christ, came to the end of life ready to preach his own funeral. In writing to his son in the faith he said: (II Timothy 4:6-8) "For I am now ready to be offered, and the time of my departure is at hand. I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only but unto all them also that love his appearing. "The Shepherd Psalm" (Psalm 23) continues the beautiful leadership of our Lord as he leads us into death and on to live with him forever and ever.

Let us pray—Solo—"He Hideth My Soul"

(Lighting of candles to represent each age group in life, because we have lost from our earthly homes some from each group—CANDLE ONE—are the ones whom God called while infants and childhood.

CANDLE TWO—are those Intermediates and Young People who have joined the mighty force of those now "In the Kingdom of Heaven."

CANDLE THREE—These are our young adults, some of whom we miss from our group today.

CANDLE FOUR—(Revelations 7:13-17).

CROSSING THE BAR

Sunset and evening star.
And one clear call for me.
And may there be no moaning at the bar,
When I put out to sea.
But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.
Twilight and evening bell,
And after that the dark.
And may there be no sadness of farewell,
When I embark;
For though from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crost the bar.

—Alfred Lord Tennyson

Solo—"Abide With Me" (1st verse)

Yes, as we think of our faithful ones who are even now on the Breast of our Heavenly Father let us make our own lives more fruitful and take the Gospel Message to "one World"—the whole wide world to "one Lord" who shall reign forever and ever.

The Brunswick Baptist Association convened in its 67th Annual Session with Elah Baptist Church of Leland on Wednesday, October 20, 1965 with Kirby Sullivan as Moderator. After a congregational singing of "Count Your Blessings", the host pastor, Rev. Bruce Lanier, read from the scripture and led in prayer.

The first act of business was the adoption of the 'Order of Business' as shown on program sheets distributed amongst the Messengers.

Mrs. Margaret C. McRackan gave a warm welcome to all Pastors, State Leaders, and our own Messengers and Friends. Mrs. McRackan also recognized new pastors in our association and their families.

Next the report of the Executive Committee was given by Rev. Arvel Crawford, who had served as temporary clerk the latter part of the Association year.

Appointment of Committees was the next item of business.

Next came a period of reports and messages from representatives of institutions. Rev. Roger C. Branch, Associate Editor of the Biblical Recorder, brought an inspiring message.

Miss Annie Mae Woodside brought the Hospital Report and Dr. W. K. McGee told of the great work of the Baptist Hospital.

The morning sermon was next by the Rev. Perry Whisnant, Pastor, Antioch Baptist Church. This concluded the morning program.

The various committees met for thirty (30) minutes and reassembled and gave the following:

Sunday School: Recommended that a Sunday School Teacher-led Revival be held on one of the two suggested dates, 3rd. Sunday in March, 3rd. Sunday in August. The teachers would put forth a special effort to win their lost students to Christ. This was approved.

Training Union: Annual Tournament will be held at Antioch Church on April 1. The Regional Tournament at Harper's Ferry Church in Brunt Swamp Association.

Promotion and Program: The Committee suggested that all churches have their fall revival between Sept. 15 and Oct. 31.

Missions: Recommended that each of our churches try to send two (2) people to help in the program at the Calabash Mission. The Committee gave their approval. Recommended that Calabash Mission Pastor make a monthly report to the Missions Chairman of the progress of the work.

The Assembly Committee gave their report and recommendations as follows: We, the undersigned, having been appointed at the September meeting of the Brunswick Baptist Association Executive Committee to investigate certain matters pertaining to Caswell Baptist Assembly, do make the following report:

Horses, ponies, and cows have been pastured on the Assembly grounds. The horses and ponies are present under a policy of the Assembly Committee of the General Board of the Baptist State Convention which states that Fred Smith retain ownership of the horses and ponies and that the Assembly feed them and charge fees for their use and that all fees go back to the Assembly. We understand that cows are not now pastured at the Assembly and had previously been there only temporarily.

The Assembly and grounds have been used for non-Baptist and non-religious purposes, including school bus drivers school, highway patrolman schools and a Young Republican meeting, and that rooms and apartments have been rented to various families and groups. This is apparently in line with the general policy that "Assembly facilities are available during the off-season to groups other than Baptist, including non-church-related groups, whose ideals and purposes are not in conflict or out of harmony with the basic purpose of the Assembly. Housing accommodations during the off-season are available for use by church and family groups and individuals for rent, relaxation, recreation and meetings." We recommend to the Assembly Committee that great stress be placed on the fact that no beer, whiskey, or other alcoholic beverages are, or should be, permitted within the Assembly grounds.

We feel that the public relations of the Assembly can be considerably improved. We feel that Baptists all over North Carolina have a vital direct interest, and indirectly Baptists outside of North Carolina, and that the Assembly is an important part of the Southern Baptist Missionary movement, this being true for the Assembly programs conducted during the summer months as well as the many other aspects of the Assembly operation. We recommend that the sign at the entrance to the Assembly be changed in wording to emphasize a warm welcome to all rather than exclusion unless you have "business" there. We feel that visitors, whether Baptist or other faith, or of no faith, should be welcomed as a part of the Christian Missionary movement. The Assembly attraction is chiefly to Baptists but we feel that others should also be permitted to reap its benefits. Of course, reasonable rules and regulations will be necessary but we feel the policy should be one of inclusion rather than one of exclusion.

We feel that the fishing waters and pier of the Assembly should be open as completely as reasonably possible consistent with the purposes of the Assembly. We feel much ill-will has been created in the past in this connection. We also feel that the \$1.00 fishing permit which is sometimes charged serves no useful purpose, and that the small amount of revenue does not even tend to offset the antagonism created. Certainly, reasonable rules and regulations are necessary, but again we feel maximum use should be made of the facilities of the Assembly.

We realize that vandalism is a problem when the grounds are open at the times when summer programs are not being conducted. However, we feel that overly strict and exclusionary rules and regulations are not the answer. Too, we feel that adequate insurance can be maintained at reasonable cost to protect the Convention against liability for injuries or damages to any guests and visitors.

We feel that church groups should be allowed to use the Assembly grounds without charge for picnics and other outings which only last a few hours. We understand this is the present policy of the Assembly but that it is not always thus administered.

There has been complaint that many of the Assembly employees are non-Baptist. We feel that Baptists should be employed when feasible and are confident that the Assembly administration shares the same views.

We recommend that a copy of the report be sent to the Assembly Committee of the Baptist State Convention of North Carolina.

Respectfully submitted this the 1st day of February, 1965.

Rev. Arvel Crawford

Rev. Richard Williams

The Meeting was closed with prayer by Rev. Fred Norden.

Respectfully submitted,

ASSOCIATIONAL MISSIONARY'S REPORT

Mrs. Margaret C. McRackan - 1964-65

I bring this report to you today with mixed emotions. No one knows except those of us who have labored on the "fields of service for our Lord" just how many hours are spent in preparation, promotion, and proclaiming the Good News that is ours to give not only in our own homes but the local church, association, State and the whole world. We are living today in one world; therefore let us proclaim, "Our Lord", as we witness to all mankind.

As I have served you in the past thirteen years here in our Brunswick Association together we have made some marked advances in our 33 churches and 5 missions. Please allow me to reminisce for a few minutes and "look on the field". Our Association extends from Leland down to the South Carolina line (Calabash). From Oak Island Mission over to Soldier Bay (a mission across and at the end of our field of service). Take a glance with me at these church fields. Baptisms have been on the increase and our fall revivals have been the most rewarding ones in several years. Praise the Lord for those who have witnessed and helped in any way to bring men, women, boys and girls to know our Saviour. This has come through prayer, planning, and preaching the Word.

Many physical changes have taken place in these past years together. Twelve new pastoriums have been built and three renovated. All of our church buildings have either been built from the start or have been renovated with new Educational buildings. In the beginning of our time together we only had 28 churches — now we have 33 with 5 missions. You may ask the question — Well, where does the Missionary fit in this picture of planning, building and promoting? My task has been to stand by giving a helping hand as our men and women have dreamed dreams (looking at prints, going to State and Regional Planning Meetings), made plans, then carried these plans to completion as we have moved forward. Through our Pastor's Conferences, Sunday School Conferences, W. M. U. Meetings, Training Union, Mass Meetings, etc., we have been able to help our people see the world and needs of people, therefore, giving of themselves and bringing the tithe to the storehouse (our Churches).

My statistical report for the past year is the following:

Miles traveled	32,744
Individual conferences	1,142
Group meetings	365
Committees	30

May I leave this question with you — "Who then is willing?" Yes, willing to do His Will, willing to give of your time, time and tithe, willing to take up now this challenging service for our Saviour and be in the group found in Revelations 7:13-15 "And one of the elders answered, saying unto me What are these which are arrayed in white robes? and whence came they? And I said unto him, Sir, thou knowest, and he said to me, these are they which came out of great tribulation, and have washed their robes, and made them white in the blood of the Lamb. Therefore are they before the throne of God, and serve Him day and night in his temple: and he that sitteth on the throne shall dwell among them."

THE RELIEF AND ANNUITY BOARD

The Annuity Board was established in 1918 and since that time almost forty-seven million dollars have been paid in relief and annuity benefits to the men and women of God who serve Southern Baptists.

North Carolina at the present time has 46% of the churches in this Protection Program for ministers. In Brunswick Association, we have 7 churches participating. They are: Antioch, Bethel, Jennie's Branch, Mill Creek, Southport, Supply and Shallotte Baptist.

The Life Benefit Plan was inaugurated on October 1, 1964. It affords protection ranging from ten to thirty thousand dollars for death under age 46 with graduated benefits thereafter. The dues range from \$3.34 to \$10.00 per month.

The Health Benefit Plan offers hospital, surgical and major-medical protection. It was to become effective on October 1, 1965 if there were 5 thousand applicants.

Many annuitants are receiving checks from the Annuity Board each month. These checks vary in size, depending upon the length of time one was a member and the amount of dues paid. Many preachers who are no longer able to continue their ministry say that these monthly checks are truly like 'Manna from Heaven'.

If there are other churches interested in this protection plan, information can be secured by writing to Rev. Guy Cain, 301 Hillsboro Street, Raleigh, N. C. 27600.

BAPTIST CHILDREN'S HOMES REPORT

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome, Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

Our Homes are serving as many people who need our help as possible. They are dependent upon North Carolina Baptists for support. Every gift, however small or large, is appreciated and is used for the purpose for which it is given. Income through the Cooperative Program is becoming increasingly important.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Thus, many boys and girls are privileged to grow up in Christian homes who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

The ministry of child care is a ministry of evangelism. Boys and girls in the Children's Homes, soon after they reach the age of accountability, make public their profession of faith in Christ and are baptized into the fellowship of the church. They are afforded the best possible training as they grow in their Christian experience. In due course of time they take their places in society as Christian men and women, in turn, to make their contribution to the ongoing of God's Kingdom.

REPORT ON BAPTIST HOSPITAL

It has been said: "By their fruits ye shall know them". Perhaps no ministry of our Denomination touches so many people in our state as the ministry of our hospital at Winston-Salem. More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known to man. Most of them were sent by their local doctors because they had problems which were difficult to diagnosis or treatment and needed specialized facilities and skills such as those found at our Baptist Hospital.

There are more than 700 persons in training in the various fields of medical care and christian service. These students were studying in ten different schools and in other fields of training in our Medical Center, and will go out to serve as physicians, nurses, technicians, pastors, and other christian workers, in our communities and churches throughout North Carolina and on our mission fields around the world.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mothers' Day offerings are used for this purpose: When the doctors have given their skilled services without charge to these patients and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

Here in Brunswick County we had the privilege of giving our Mothers' Day offering of \$1,255.04 to this most needful institution. We feel that our special offerings will have to continue even though we give through the Co-operative Program, because of so many, many sick people. Each year for the past three years I have watched our offerings grow.

May I thank each of you for every effort you made during our last Mothers' Day Offering.

Annie May Woodside

NORTH CAROLINA BAPTIST HOMES FOR THE AGING 1965 ASSOCIATIONAL REPORT

The day that North Carolina Baptists launched a ministry to the aging fourteen years ago was a good day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven, and the Hayes Home in Winston-Salem, the Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. When the proposed new Home at Yanceyville is completed, there will be capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

This labor of Christian love and nurture is ours together, and we could not operate without the concern, the prayers, and the financial support of our Baptist people. This financial aid from the churches comes to us through two very vital avenues — the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offering receipts for 1964 were at an all-time high and exceeded \$96,000.00. Through these gifts we were able to supplement from 80% to 90% of our needy residents who could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever-increasing needs of the aging in our midst who seek our help. The waiting list now is 175 and grows almost daily.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We have responded to His plea, we are giving an answer to Him for these elderly people who are very dear to Him, and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

ANNUAL SUNDAY SCHOOL REPORT

Brunswick Association

1964 - 1965

As I look back over this past year of Sunday School work, my first as your Associational Superintendent, I realize as never before that "there is yet much land to be possessed". Jesus said, "Look on the fields, for they are white already to harvest" (John 4:35). This is indeed true in the Brunswick Association. What a field! What a responsibility! What a challenge!

Our Sunday Schools have been assigned the tasks of teaching the Bible, reaching the unreached, leading all church members to worship, witness and minister daily, and to interpret the work of the Church and denomination.

In recent years Sunday School advancement has been slow. Last year 33,000 churches reported a total net gain of only 44,000 members. This is alarming as it is becoming more and more evident that "as the Sunday School goes, so goes the Church."

Closely related to the need for total Sunday School advancement is the need for advancement in Adult Work. To awaken the Sunday School to their Adult opportunity the "Adult Thrust" was started last October. The response of the Churches to the "Adult Thrust" has been gratifying. How long must we be concerned about Adults? As long as millions of unsaved Adults tug at our hearts. Adult prospects in the United States number ninety million; yet in the last few years, the average net gain per Church has been one to three Adults. It is our conviction that "advance on all fronts waits on advance on the Adult front."

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal, we must have an enrollment gain of 30% in the next five years. We are challenged to have an enrollment of one million in North Carolina by 1970. We are asking each Sunday School in our Association to accept a net enrollment increase of 3% for 1966. Outreach must have priority. Those unsaved persons enrolled in our Sunday Schools, having been taught the Word of God, are our best prospects. Billy Graham states, "The Sunday School is the Church's most fertile field for evangelism. If properly tilled and cultivated it can produce an abundant harvest for the Kingdom of God."

As this year closes, I can not say that we have accomplished all that we should. I was well pleased with the response of the people at Action Night. I feel that this is a good indication that Sunday School leaders are becoming aware of their responsibility to prepare themselves for effective leadership in the Churches and to keep informed about the work of the denomination. We also had one Standard Sunday School in the Association this year. I would like to urge all Sunday School Superintendents to work toward A Standard Sunday School for 1966.

When our Sunday Schools begin moving forward, our Churches will move forward.

Respectfully Submitted,
T. M. Corbett
Associational Sunday School Supt.

TRAINING UNION REPORT

"M" Night for Training Union this year was held on the spur of the moment at the Leland Baptist Church, after it was reported that a bomb had been planted in the Leland School Auditorium. Despite the change in location we had some 230 in attendance with 18 churches represented.

The Regional Training Union Tournament was held at Harper's Ferry Baptist Church in Robeson County. It was disappointing that no more of our Brunswick people were present to participate in and enjoy the wonderful fellowship of a Spirit filled afternoon and evening.

Training Union continues to lag in the churches of our association. The adults and parents in our churches must take the lead in placing Sunday evening in the Lord's House above good television programs or Sunday evening movies. If we don't set the example we can not blame our young people for not taking any greater interest in Training Union than most of them now do.

This next year can be a great year in the Brunswick Association for Training Union if each of us will put our shoulders to the wheel and help Brother Sam Corbett establish a Training Union in every church and mission. Let us continue to look to the Lord for leadership of the Holy Spirit while we supply the manpower to bring Jesus Christ into every home and heart through the medium of the Training Union.

Eugene B. Tomlinson, Jr.
Training Union Director

BROTHERHOOD REPORT

BROTHERHOOD IS a unique organization of the church in that its membership is composed only of Baptist men of the church. It exists for the purpose of helping the church achieve its missions tasks.

BROTHERHOOD IS an educational organization with distinctive objectives and ministries. It fulfills a role assigned only to this group in the educational program and in the work of the church as it majors upon missionary education and missions promotion.

BROTHERHOOD IS a fellowship of Baptist men, members of the church, organized to advance the cause of Christ through a program of missionary education and missions promotion designed to inform, motivate, and involve men in the missions tasks of the church.

BROTHERHOOD IS responsible for missionary education for men, young men, and boys in Southern Baptist churches, which is one of the greatest needs of this day. Its study program is designed to interest and challenge the men and boys of the church in becoming mission-minded Baptists. It permeates such major areas as Christian witnessing and personal stewardship as they vitally relate to missions in the community, state, nation, and world.

BROTHERHOOD OBJECTIVE IS TO LEAD MEN TO!

- 1—A deeper commitment to missions.
- 2—A more meaningful prayer life for missions
- 3—A larger stewardship on behalf of missions.
- 4—A personal involvement in missions.

My Prayer is for the men of Brunswick Association to wake up to facts. All churches with a Brotherhood Chapter have more converts in their church they have Man Power. Men lets go to work for God. The last message of Jesus Christ on this earth (Matthew 28-19, Go Ye therefore and teach all nations).

I have enjoyed the work in the Brotherhood for the past three years as President. Please pray for me and for our new President.

Respectfully submitted,

Sam J. Corbett
President

W. M. U. REPORT

As I accepted the nomination for President of the Woman's Missionary Union of our Association, I was actually trembling and my knees were weak and wobbly. Yet underneath physical symptoms, there was a calm wonderful peace — for I knew the decision was the result of earnest prayer for God's will in my life. As the days passed many scripture verses filled my mind. Philippians 4:13 kept coming to my mind — "I can do all things through Christ which strengtheneth me."

As we began our associational year our new Presidents, their husbands, pastors and wives were invited to our annual supper. We met at Antioch Church for a wonderful time of fellowship and getting acquainted.

In February our Y. W. A. Tea was held at Oak Island. Our Director Mrs. Mildred Hewett did a grand job in planning this. We were fortunate in having Miss Sara Hobbs, our state worker with us. Our young girls as well as older ones were inspired by her.

Our Mother-Daughter Banquet for G. A. Girls was well attended. We wish to thank each Mother for their efforts and attending this.

Under the able leadership of our G. A. Director, Mrs. Anne Price, our G. A. Camp was a great success. With girls rededicating their lives and some finding Jesus as their Saviour, we have to forget every problem and just thank God for everything.

Mrs. Ozalia Phelps, our Sunbeam Director planned a well filled Day Camp for our Eight Year olds. Although the workers were exhausted I think I can say a good time was had by all.

We did not have many members going to our Annual State Meeting in Greensboro. The ones that did attend were richly blessed. If you have never been to one of these meetings, I urge you to do so.

Our Annual Meeting met with Boones Neck. Rev. Gene Phillips, Missionary to Rhodesia was our speaker. You ladies that did not hear him missed a very informational and inspiring message.

Our state workshop was well attended. When we left I felt that we were all better acquainted with all our work. On Sept. 30, our own local workshop met with Farmer's Chapel. The number of Ladies attending this meeting, makes one wonder if we are really concerned about our work. Are we really "Laborers together with God?"

We, The Executive Committee, of the Brunswick W. M. U., wish to thank each of you for the prayers and the words of encouragement.

To Mrs. Margaret McCracken, Our Beloved Associational Missionary, we offer our thanks and extend to her our best wishes in all the undertakings that she attempts to do for the up-building of God's Kingdom here on Earth.

Respectfully submitted,
Mrs. Catherine King
W. M. U. President

BAPTIST ASSEMBLY REPORT

Mr. Moderator, Mrs. McCracken, and Christian Friends, it is with great joy that I bring you the report on our N. C. Assemblies. I have had the privilege to take your young people to Caswell for five or six years for our Youth Camp. Mr. Smith has helped in a tremendous way to make this possible. Without his help and co-operation we could not have had the facilities or money to have reached many girls for Christ. This year we had our first R. A. Camp. It was small in number, but great interest was shown in those who attended. We also had our G. A. Mother-Daughter Banquet at Caswell in the new dining hall. We were the first to use this and new chairs and tables were unpacked for our use. Thanks to Mr. Smith and his work staff.

In addition to the weeks of camp at Fruitland, we have a pastor's school. Many of our Brunswick pastors have taken advantage of this opportunity.

The statistical report of Conference weeks at our N. C. Baptist Assembly is as follows:

June 21-26—Y. W. A. 61 attendance
June 28-July 3—Training Union 714 attendance
July 5-10—Sunday School & Jr. Choir 527 attendance
July 12-17—Church Music 730 attendance
July 26-31—Training Union 938 attendance
August 2-7—R. A. Camp 292 (119 of this number was our Brunswick Youth Camp)
August 9-14—Staff Retreat and others 103 attendance
August 16-21—Youth Conference 429 attendance

The Youth Conference in August was a new addition to the Summer Program and met with a great success. This program will be offered again next year.

Brochures will be printed for the 1966 Summer Program after the first of the year. The girls barracks was much nicer this year and plans are being made to fix the boys barracks. Plans are also being made for a larger and air-conditioned auditorium in the near future.

Mrs. Ann L. Price

INTERRACIAL REPORT

We are very pleased with the progress in Brunswick this past year. We held (2) two Vacation Bible School Clinics using our own "Team" that has been trained at the State Clinic at Wingate. My husband and I had the privilege of participating in Interracial Day in two of the churches. I helped with four Vacation Bible Schools and one camp with a registration of around 400. All churches had purchased their own literature except one. Several churches are holding their own schools now, with personnel trained in clinics and schools held in their churches. Two of our ladies from Leland Church helped with our Mission Church at Navassa and found even as I, that it is a very rewarding experience.

Be much in prayer as we seek to find a replacement for Dr. Grigg as secretary of this department, but our great loss is a Southern Baptist gain and may our prayers go with him. We can rejoice that North Carolina Baptist have built such a fine Interracial Department that our southwide Baptist want it duplicated convention wide.

We wish to express our thanks for your help and prayers during the five years that I have served in this capacity.

Respectfully submitted,
Mrs. Dewey Robbins

REPORT ON EVANGELISM

Churches in the North Carolina Baptist State Convention reported 27,346 baptisms in 1963 and 29,725 baptisms in 1964 — a gain of 2,379 or 9%. Some of our churches had a larger gain than this, but many of them had less.

The theme adopted by the Southern Baptist Convention for the year 1966 is, "Proclamation and Witness." In our association this theme actually begins October 1st.

The President of the Southern Baptist Convention, Dr. Wayne Dehoney, says: "The major issue facing us is whether the Southern Baptist Convention as the largest Protestant denomination, is going to accept its role and launch the greatest evangelistic thrust in history." No informed child of God would argue with Dr. Dehoney about this being the "major issue" before us. The purpose of our theme for this year ahead is to help get us aimed and moving toward this objective.

The evangelistic Thrust needed now waits not on new methods but on new men. Men and women who have been made new in Christ Jesus and are totally committed and surrendered to Jesus Christ in mind, body and soul. Materials and programs that are available to the churches from our denomination are listed below but each church should decide on the objective and course it is convinced the Holy Spirit has appointed for it to pursue in its witness for Christ in the community and the world today. Materials and helps in the work of evangelism may be requested as needed from the Division of Evangelism, Baptist State Convention, Raleigh, North Carolina.

RESOLUTIONS COMMITTEE REPORT

BRUNSWICK BAPTIST ASSOCIATION, OCTOBER 21, 1965

Your Resolutions Committee brings to you the following for your approval:
BE IT RESOLVED THAT:

We express to Elah and Supply Churches our sincere thanks for their gracious hospitality during the day sessions of the Association and for providing the abundant and delicious dinners served at the noon hour.

We express our appreciation to Mrs. Margaret McRacken for her untiring efforts and for the spiritual guidance so humbly given while serving as our Associational Missionary.

We express our appreciation to the Pastors, the Officers of the Association, the individual members of every committee, and every person that has taken a part in its program.

We give thanks to God for both material and spiritual blessings, and we will strive to live more faithful lives for him.

Respectfully submitted,
Mrs. Catherine Skipper

THE REPORT OF THE N. C. BAPTIST FOUNDATION, INC.

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The North Carolina Baptist Foundation, Inc., encourages the Stewardship of Current Income in systematic and proportionate giving from current income. The Foundation also encourages the Stewardship of Accumulated Possessions by single block giving at infrequent intervals from accumulated income during one's lifetime and/or at one's death. You will note that the Baptists have put the major emphasis on the Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways that the Foundation assists a person in making his gifts through accumulated income such as: (1) by living trust, (2) by gift annuity, and (3) by bequests in wills.

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to individual churches, associations, and to all of our Baptist agencies and institutions.

The foundation has recently been emphasizing the making of Christian wills. To better enlighten our people in making wills, the Foundation has prepared two films entitled "God's Will Through Yours" and "Treasures In Heaven". These films are available to any organization upon request without charge.

Respectfully submitted,

E. J. Prevatte, Representative
